The Incas Daniel Peters,1991 Daniel Peters has done a prodigious amount of work in reconstructing the history of one of
the most interesting peoples inhabiting the Americas and one of the least known the Incas of Peru Using this knowledge
brilliantly he has written a beautiful tragic heroic account of their last years from 1511 to 1530 when these superior Indians
were overwhelmed by their Spanish conquerors It is written with beauty and compassion an amazing accomplishment and a
compelling reading experience James A Michener *The Whole Story* John E. Simkin,1996 This work is the only

Simon Elliott,2019-12-17 A look at the remarkable military career of ancient Rome s most celebrated leader Born into an
aristocratic family Julius Caesar has been an inspiration to countless military commanders over the past two millennia His
early military campaigns part of his progression along the cursus honorum ranged from the East to Spain to the early Roman
civil wars His participation in the Gallic Wars as well as his incursions into Britain are known mainly through his own
published commentary on said events Written by a prominent historian and archaeologist this concise volume details Caesar
s military life and the role it played in his political career From his youth through the civil wars that resulted in his becoming
the dictator of Rome Caesar has left a remarkable legacy *Who was Who on TV* Norman Chance,2011-01-07 The
information herein was accumulated of fifty some odd years The collection process started when TV first came out and
continued until today The books are in alphabetical order and cover shows from the 1940s to 2010 The author has added a
brief explanation of each show and then listed all the characters who played the roles and for the most part the year or years
the actor or actress played that role Also included are most of the people who created the shows the producers directors and
the writers of the shows These books are a great source of trivia information and for most of the older folk will bring back
some very fond memories I know a lot of times we think back and say Who was the guy that played such and such a role

is recruited by the fledgling Croatian state to undertake a covert mission to kill a warlord called Vardaric before he can
commence a campaign of terror by carrying out a systematic ethnic cleansing of captured Croatian territory To Casca a k a
Casimir Lonjic the mission has an extra incentive for Vardaric had carried out a raid on Casca s Thai hideout a few years
previously killing his woman and destroying all he had built up over the years So while the former Yugoslav states of Croatia

and Serbia go to war with one another Casca goes to war on Vardaric With a team of nine other mercenaries Casca is sent into the warzone to take out Vardaric and his company of killers but unknown to Casca there are two members of his squad with agendas of their own each different to one another It is only when members of his team are murdered that Casca begins to realize things are not what they seem It is only after an epic chase across Bosnia that Casca had the chance to uncover the truth and confront not one but two deadly enemies from his past Amazon *The War Lord* Barry Sadler,1980
