

The Three Investigators need your help on

The Case of the Dancing Dinosaur

Festy old Arnold Brewster has just escaped from a nursing home. Now he's on the run from his family—and the police! He's asked the Three Investigators for help. They've got to save his precious golden fossil of a dinosaur.

But the investigators don't want to stop there—they want to rescue Brewster, too. What moves should they make? Only you can decide!

Should the trio break into Brewster's eerie old house and search for the dinosaur?

Or seek out his only known friends... a hidden group of cave dwellers still living in the Stone Age?

Or follow Brewster into the heart of earthquake-ridden mountains... where compasses don't work?

Danger and terror lie in every direction. Will the Three Investigators survive them and solve the mystery? The choices are up to you!
