Case Of The Late Pig:

The Case of the Late Pig Margery Allingham, 2015-10-01 A man is killed five months after his funeral in a tale by one of the greatest mid 20th century practitioners of the detective novel Alexander McCall Smith Private detective Albert Campion is summoned to the village of Kepesake to investigate a particularly distasteful death The body turns out to be that of Pig Peters freshly killed five months after his own funeral Soon other corpses start to turn up just as Peters s body goes missing It takes all Campion s coolly incisive powers of detection to unravel the crime The Case of the Late Pig is uniquely narrated by Campion himself In Allingham s inimitable style high drama sits neatly beside pitch perfect black comedy A heady mix of murder romance and the urbane detective s own unglamorous past make this an Allingham mystery not to be missed My very favourite of the four Queens of Crime is Allingham J K Rowling Margery Allingham deserves to be rediscovered P D James

The Case of the Late Pig Margery Allingham, 1989 Several months after Albert Campion attends the funeral of an old school buddy Roland Pig Peters the detective is asked to investigate a country club murder The victim turns out to be none other than the supposedly dead and buried Pig Peters As the death toll mounts Campion finds that he too is targeted for termination

The Case of the Late Pig Margery MARGERIE ALLINGHAM, 2021-11-02 This story like some others in the series is narrated by Albert Campion himself The tale opens with a socially comic scene of Lugg reading out the death notices in the newspaper in particular one about R I Peters pun intended I guess This name rings a bell for Campion who knew the deceased as a school bully Yet the funeral is far from satisfying and instead has a gravely unsettling feeling upon Campion 6 months later he is called back down to the area by the local Chief Constable Colonel Leo Pursuivant who is also Campion s friend For his own reasons he is very anxious about a newly discovered murder and Campion is stunned when he sees the victim recognising his old school nemesis Peters who seems to have been going around under a different name Oswald Harris Yet he has only been dead for 12 hours So what was the funeral all about 6 months earlier Leo is concerned about the murder due to where it took place a local country house which is now being run as a loosely governed business and it seems like Harris had been making himself pretty unpopular with the local inhabitants including Leo with his plans for redeveloping the area Further befuddlement ensues with disappearing corpses new corpses cryptic anonymous letters unhelpful school acquaintances and even personal jeopardy for Campion and Lugg
