Case Studies in Criminal Justice Ethics Michael Braswell, Larry Miller, Joycelyn Pollock, 2020-12-23 Ethical conflicts rarely involve clear cut choices Decision making in ambiguous circumstances challenges personal values and professional ethics The fog of politics personal bias and past experiences factor into the choices made The goal of this compelling collection of cases is to stimulate reflection about the ethical dilemmas encountered in interactions Thought provoking case studies address police misconduct protests and civil unrest school resource officers questionable prosecutorial practices the challenges of a pandemic for prisons the influence of politics ethnic gender sexual preference bias family conflict immigration perceptions of terrorism and executing someone who may be innocent The experiential approach presents readers with opportunities to think about decisions they might have to make as criminal justice professionals People employed in criminal justice have a great deal of power and discretion which can be used ethically or unethically Introductions to the sections on law enforcement the courts corrections and juvenile justice provide background for analyzing the hypothetical scenarios Case commentaries and questions provoke discussion about potential courses of action and the consequences of various choices

**Case Studies in Criminal Justice Ethics** Michael Braswell, Larry Miller, Joycelyn Pollock, 2011-08-30 Building on the success of the popular first edition the authors provide hypothetical criminal justice scenarios for analysis having found in their experience as teachers that the process adds depth and dimension to the study of justice and ethics This expanded second edition offers ten new cases addressing the intricate process of moral and ethical decision making Focusing on both personal and social context the authors explore true to life situations and encourage readers to think about the possible consequences that could result from the choices they make The case studies provide realistic portrayals of current dilemmas in policing courts corrections and juvenile justice Political and noble cause corruption perjury and judicial prosecutorial misconduct ethnic and gender prejudice and many other social and criminal justice themes are featured Following each scenario are thought provoking questions to facilitate personal reflection and class discussion Each section contains a bibliography of topical books and articles for readers interested in a more in depth treatment of the issues

*Case Studies in Criminal Procedure* Susan Jacobs, 2005-08 Cases show clearly what officers have to know about constitutional law in order to not lose the case on the street before they ever get to the prosecutor s desk Each case is selected to do two things 1 Set out constitutional rule of law and 2 Show how that law works in application to facts in an actual case A valuable resource for police officers and police officer academies

Criminal Law Paul H. Robinson, 1997 In his student treatise noted authority Paul Robinson uses the Model Penal Code realistic hypotheticals and lucid explanations to describe the existing rules of American criminal law In fact professors consistently remark on how well written and clear Robinson s text is He explains the reasoning behind those rules The interrelation among them and their application Robinson gives the MPC s position on each topic along with the most common deviations from it Rather than

viewing each rule in isolation he examines each part of criminal law as a piece of a machine for determining criminal liability The six parts of the book define those interrelationships Introduction General Principles in the Definition of Offenses Principles of Imputation General Defenses Inchoate Liability Specific Offenses Since lawyers who know the reasoning of the drafters have a powerful advantage in arguing for a particular interpretation of a code provision Robinson points students to important bibliographic sources at the end of each section Each chapter starts with a hypothetical based on a real case Throughout the chapter Robinson refers back To The hypothetical using it as a vehicle to analyze and clarify abstract concepts Numerous footnotes case references and bibliographies make this text a lasting research tool For a meaningful exploration of this fascinating area of study you can depend on Paul Robinson s Criminal Law Be sure to recommend this vital work to your next criminal law class
