

Classroom Management Case Study

Case 1: On the first day of school, no one could tell if Tamara was a boy or a girl. She showed up new to our school dressed as tiny little nine year old gang member, baseball hat, puffy coat, mean expression. A few private get to know you conversations convinced me it was all an act...that needed to be cut off before it became the real thing.

First of all, I need to understand the behavior of my student Tamara. I would recommend the Preventative Discipline for to provide proactive interventions to potential disruptive behaviors by clearly explaining to the student what behavior are appropriate and what are a bit of wrong. Preventative discipline strategies create a safe, no confrontational class atmosphere in which students feel that they understand what is to come.

The teacher must provide to the student with suggestions and options for correcting a behavior before a consequences if is necessary.

As a teacher I think would be a good idea to give a piece of advice to Tamara about her dress and look, after some conversations with her, I realized that she was a smart girl and his physical appearance describes her current state as teenager
