Cases And Materials On Torts:

Cases and Materials on Torts Richard Allen Epstein, Catherine M. Sharkey, 2012 This highly successful casebook integrates modern scholarship and historical background to provide students with a thorough understanding of tort law. Written by leading scholar Richard Epstein, *Cases and Materials on Torts* takes an explicitly economics based point of view and examines the processes of legal methods and reasoning and the impact of legal rules on social institutions. The Tenth Edition welcomes new co author Catherine Sharkey an expert on punitive damages and federal preemption of state tort law. Hypothetical problems have been added to assist students in their understanding of core issues. New developments such as privacy and defamation in the Internet Age and the relevance of race and gender in calculating damages are given thorough coverage. Features: Written by a leading scholar in the field. Economics based point of view makes a good foil for counterpoint and fuels class discussion. Traditional approach integrates cases with modern scholarship on moral theory, law and economics and salient policy questions. Begins with Intentional Torts and other physical and mental harms and progresses logically through to nonphysical interests. Thoughtful presentation examines the processes of legal method, legal reasoning and the impact of legal rules on social institutions. Exposes students to different intellectual approaches that have been employed to interpret tort law over the years. Historical background provides contextual framework of tort law and its development up to the present. Thoroughly updated. The revised Tenth Edition includes New co author Catherine Sharkey an expert on punitive damages and federal preemption of state tort law. Empirical approach to many issues harmonizes the topics with cutting edge scholarship. Hypothetical problems inspired by the facts of actual cases to help students develop a deeper understanding of the core issues. New issues are explored such as privacy and defamation in the age of the Internet and the relevance of race and gender to damages calculations.

Cases and Materials on Torts Richard Allen Epstein, 2008 Well known Torts expert Richard A Epstein skillfully and effectively integrates modern scholarship and historical background in this highly successful casebook. *Cases and Materials on Torts* now in its Ninth Edition is an excellent introduction to the first year Torts course that has been classroom tested and proven by generations of law students. Characteristics that have helped to make *Cases and Materials on Torts* a leader in the field include Outstanding authorship. Richard A Epstein is a well known and highly respected expert in the field and his presentation of the material with a definite economics based point of view engages students and fuels class discussion. Traditional approach. Cases are integrated with modern scholarship on moral theory, law and economics and salient policy questions. Thoughtful presentation. Professor Epstein examines the processes of legal method, legal reasoning and the impact of legal rules on social institutions and exposes students to different intellectual approaches that have been employed to interpret tort law over the years. Historical background. Discussion of the historical backdrop provides students with an accurate sense of Tort Law and its development up to the present. Comprehensive. Teacher's Manual. Professor Epstein shares proven teaching tips. Continuing the past tradition of this widely used casebook.

The Ninth Edition has been updated with updated coverage of the growth in the doctrines of federal preemption into Tort Law including whether compliance with a federal regulation blocks a state tort action coverage of the role of cyberspace in tort law especially on the property torts such as conversion New cases and updated notes throughout Well written and insightful this venerable casebook provides a firm introduction to torts for first year students giving them a sense of the historical underpinnings of tort law as well as exposure to different intellectual approaches to interpreting it An author website to support classroom instruction using this title is available at <http://www.aspenlawschool.com/epstein9>
