Aus Der Akashaforschung Das Funfte Evangelium:

The New Mysteries and the Wisdom of Christ Virginia Sease, Manfred Schmidt-Brabant, 2005 Christianity is not a matter of a religion or even a denomination it is not a question of a particular culture Christ is there for all humanity from the book In the old mystery cultures individuals experienced themselves as children of the gods or even as their instruments According to Rudolf Steiner s spiritual science the birth of independent thinking did not arise until our present state of consciousness the awareness of one s individual self But who is this I Virginia Sease and Manfred Schmidt Brabant maintain that true self knowledge is intimately related to knowledge of the central being of world evolution Christ the I AM Focusing on the being of Christ and on Christianity the authors present a series of engaging lectures on the development of mystery wisdom today Having given an overview of the history of the mysteries in their book Paths of the Christian Mysteries the authors deepen and expand their study by drawing particular attention to the effect of the Christ mysteries Some essential themes of this new volume include the transformation of conscience the place of prayer and meditation and the significance of sacrifice today **Aus der Akasha-Forschung** Rudolf Steiner, 1980 **Mystery of the Christ** Oskar Kürten, 2023-05-15 Who is the Christ What is the Sun spirit How should we understand the person of Jesus in relation to the Cosmic Christ or even to the Holy Trinity In a majestic overview of Rudolf Steiner s extensive references to Christ and Jesus originally dispersed throughout his many writings and lectures Oskar K rten creates a mutually reconcilable and coherent text We are invited to accompany the author as he attempts to comprehend the unimaginably vast enigma of Christ s appearance on Earth The results of his work can sometimes be overwhelming but as K rten points out humanity is always advancing in its intellectual and spiritual culture and each step poses higher demands on our capacity to understand In a volume comprising three previously untranslated booklets composed originally as study material for people conversant with the fundamentals of anthroposophy **Mystery of the Christ** gives numerous pointers to great mysteries inviting readers to penetrate ever more deeply into the inexhaustible subject matter As K rten states this approach enables us again and again to find surprisingly new insights into the mysterious interconnections in which Christ s entry into earth existence and the Mystery of Golgotha are placed **Out of the New Spirituality of the Twentieth Century** Svetoslava Toncheva, 2015-04-30 The book is focused on the phenomenon of the new spirituality and the impact which it appear to have on the religious sphere and the contemporary culture It referes to three particular European movements the anthroposophy of the Austrian philosopher Rudolf Steiner a movement which has influenced many social spheres like pedagogic the Waldorf education medicine art etc the movement created by the Bulgarian spiritual teacher Pet r D nov known as the White Brotherhood turned into transnational spiritual community and the Unified Teaching of the young Russian spiritual writer and healer Zor Aleph developing between Russia and Bulgaria The work based on the anthropological methods of fieldwork and analysis aims to examine the significance of the three movements and their national and transnational specifics in the framework of the

European spiritual sphere **The Mystery of the Earth** Peter Selg, 2021-07-06 Rudolf Steiner himself did not just comment critically about the out of hand fear of bacilli or the obsession with hygiene as modern superstition but also warned about the dangerous reality of pathogens of the worst kind that could become destroyers of human life and bring with dreadful epidemics Peter Selg This volume written by Peter Selg between Easter and Pentecost 2020 gathers a collection of essays on the medical sociopolitical and spiritual dimensions of the Covid crisis He offers these essays as a means of orientation and explorations in Paul Celan's meaning The author emphasizes in his preface however that representatives of Anthroposophy nevertheless have an obligation to speak out on the subject If they silence or censor themselves because they do not want to seem in any way negative as a result of their critical reflections or because even before corona they quickly became the target of various accusations they lose nothing less than the justification for their existence their inner identity and credibility as well as their historical conscience the crucial meaning of which Rudolf Steiner pointed to time and again and not without reason This book was originally published in German as *Mysterium der Erde Aufs tze zur Corona Zeit* Verlag des Ita Wegman Instituts Arlesheim Switzerland 2020 An earlier English translation of the essay *A Medicalized Society* translated by Thomas O Keefe and Charles Gunn first appeared in *Deepening Anthroposophy* no 9 1 that translation has been revised for this volume The Fifth Gospel Rudolf Steiner, 1968 The Twelve Holy Nights and the Spiritual Hierarchies Sergei O.
