

# Post-2004 numbering of Australian Accounting Standards

- Accounting standards issued by the International Accounting Standards Board (IASB) were until 2003 referred to as International Accounting Standards (IAS)—older standards
- Accounting standards issued by the IASB from late 2003 are referred to as International Financial Reporting Standards (IFRSs)—newer standards
- Number of new AASB standards will depend on whether the 'adopted' standard relates to an 'old' or 'new' international standard

*Towards Integrated Reporting* Epameinondas Katsikas, Francesca Manes Rossi, Rebecca L. Orelli, 2016-10-31 This book focuses on the accounting change processes that drive integrated reporting in the public sector The Integrated Report is a tool that allows public sector entities to quantify and convey those aspects of their organization strategy governance and performance that lead to the creation of public value over time To be successfully introduced integrated

reporting must follow a specific path of accounting change The context in which public sector entities operate and the unique relationship between the public sector and the environment redefine the accounting process of change to deliver an integrated report The authors provide a fresh look at integrated reporting on the basis of the accounting change processes that drive it helping academics and practitioners to gain a deeper understanding of the challenges and benefits in terms of public value creation
