**Australian Broadcast Journalism** Gail Phillips, Mia Lindgren, 2006 Australian Broadcast Journalism is a practical guide to broadcast journalism The text introduces students to broadcast journalism by exposing them to the thoughts and experiences of practising journalists across all the broadcast media radio television and the Web It focuses on the skills journalists need to succeed and looks at how these skills are applied in the different broadcast media The Electronic Reporter Barbara Alysen, 2000 Designed to equip journalism students with the skills needed to navigate the new era of electronic media Explains how Australian broadcast news is gathered and packaged and provides a practical guide to audio and video journalism *Australian Studies in Journalism*, 2006 Strangling Aunty: Perilous Times for the Australian Broadcasting Corporation Virginia Small, 2021-09-24 Drawing on a wealth of academic research statistics and interviews with key Australian media people including present and former Australian Broadcasting Corporation staffers this book explores the transitions of the ABC under various types of organisational re strategising governance and political shifts The book provides the reader with an authoritative narrative as to how the ABC has lost its iconic status in Australian society and unfolds how the ABC has strayed from its respected public charter which endowed the ABC with a distinctive and important role in informing educating and entertaining the Australian public Successive federal government funding cuts have shrunk staffing levels and services while it has pursued a corporatist model that mimics the trappings and practices of commercial media In that process it has become politicised and trivialised thereby threatening its demise The book is a unique and timely contribution at a time of dwindling interest for the funding of public assets everywhere There is no other book in the market that addresses the decline of the organisation the ABC and analyses the reasons for its demise within an organisational theoretical framework The book is written for an educated general audience with academics and media practitioners specifically in mind and has everyday applications for business organisations operating in the public sector by bringing together important findings of public funding budgets management and organisational strategies and evolution **APAIS 1999: Australian public affairs information service**, Broadcast Journalism Andrew Boyd, 1988 *The Australian Broadcast Journalism Manual* Gail Phillips, 2002 **APAIS 1994: Australian public affairs information service**, Australian Journalism Review, 2006 **Journalism in the Digital Age** John Herbert, 1999-11-03 Provides the practical techniques and theoretical knowledge that underpin the fundamental skills of a journalist It also takes a highly modern approach as the convergence of broadcast print and online media require the learning of new skills and methods The book is

written from an international perspective with examples from around the world in recognition of the global marketplace for today's media. This is an essential text for students on journalism courses and professionals looking for a reference that covers the skill, technology and knowledge required for a digital and converged media age. The book's essence lies in the way essential theories such as ethics and law are woven into practical newsgathering and reporting techniques as well as advice on management skills for journalists providing the wide intellectual foundation which gives credibility to reporting.

**Australian Television** Alan McKee, 2001. This is the first book to present a history of Australian television in which the programs themselves are the main focus of attention. In addition to providing an invaluable and comprehensive archive of information for anybody interested in the history of the medium, the book raises important questions about the ways in which we think about television.
