

The Authoritarian Specter

Bob Altemeyer

Authoritarian Specter

Daniel Burston, Kurt Jacobsen

Authoritarian Specter:

The Authoritarian Specter Bob Altemeyer, 1996 The book presents the latest results from a prize winning research program on the authoritarian personality Many of America s biggest problems Bob Altemeyer shows have authoritarian roots

A Critical Realist's Theological Method Douglas W. Kennard, 2013-02-21 A Critical Realist s Theological Method explores a systematic theology method grounded in critical realism in the wake of Alister McGrath Imre Lakatos Nancey Murphy N T Wright and Dale Allison Kennard surveys philosophical and traditional theological approaches for contributions and limitations in order to set out a method for theology and science Kennard extends this method to a Thiselton Ricoeur hermeneutic that can fund insightful exegesis and Biblical theology in the wake of Ladd Dunn Vos and Goldingay This Biblical theology method is illustrated by wisdom literature the traditional reef of the discipline and then developed for the contributions toward systematic theology as Gabler had originally envisioned With contextualized Scripture sourcing most of the content for systematic theology the trajectory is shown in the subtitle Returning the Bible and Biblical Theology to be the Framers for Theology and Science The method is exemplified in exegesis of creation texts which frame possibilities for science Likewise Biblical theology frames a bio ethics integration of psychology and theology setting out a transactional model for psychological recovery with University of Chicago professor Paul Holmes A theology for peer review and work is also framed

What's So Wrong with Being Absolutely Right Judy J. Johnson, 2009-12-02 After explaining the dangerous nature of dogmatic belief psychologist Johnson teaches strategies for dealing with dogmatic people and provides suggestions for minimizing the harmful effects of dogmatism in educational political and social institutions *Authoritarianism in All its Guises* Daniel Burston, Kurt Jacobsen, 2025-03-31 Authoritarianism in All its Guises provides an interdisciplinary assessment of contemporary experiences of authoritarianism Drawing on psychoanalysis and critical theory contributors from a range of academic backgrounds consider authoritarianism as it manifests in a range of movements and contexts The chapters investigate interrogate and in some cases clash creatively and revealingly over the meanings of contemporary experiences of authoritarianism across the political spectrum The issues raised here not only compel us to come to grips with and clarify what constitutes modern authoritarianism but also what defines the Left in this stubbornly neoliberal age Authoritarianism in All its Guises will be essential reading for academics and students of psychoanalysis political and social psychology sociology history and media and cultural studies **Manitoba's French-Language Crisis** Raymond Hébert, 2004 Raymond Hebert analyses Manitoba s French language crisis in detail and considers its local and national implications For nine months in 1983 and early 1984 beginning with a protest by French speaking Manitobans who had received parking tickets written only in English and ending with a legal compromise that made Manitoba all but officially bilingual Manitoba endured charged demonstrations grimly fought plebiscites and legislative filibustering Towards the end of the crisis legislative paralysis set in and the government itself ground to a halt Hebert argues that far from being a spontaneous populist movement the crisis was

largely manufactured by a few individuals some of whom were in the Legislative Assembly itself Hebert considers various theoretical models to explain aspects of the crisis and concludes that the authoritarian personality model is the most relevant Right wing authoritarianism exists everywhere and he argues under proper conditions especially demagogic leadership can provoke populist explosions of racist and prejudiced sentiment and hence the cautionary nature of this Canadian tale

Critical Theory Amirhosein Khandizaji, Wolfgang Sohst, 2025-07-01 Critical Theory The Last Stand for Emancipation gathers leading voices in contemporary critical thought to reassert the enduring relevance of a tradition forged in resistance From the early insights of the Frankfurt School to its intersections with decolonial queer ecological and postcolonial critiques this volume maps the evolving terrain of a radical project devoted to unveiling domination and envisioning emancipation At a time when neoliberal orthodoxy undermines critical scholarship and authoritarian populism distorts public discourse this book refuses resignation It offers instead a lucid and urgent intervention one that confronts the alienations of digital life the legacies of colonial violence and the manufactured chaos of late capitalism With essays ranging from genealogy to praxis from epistemology to affect this collection insists that critical theory is not an academic relic but a living practice of resistance Whether reckoning with the failures of progress or reclaiming hope as a political act Critical Theory The Last Stand for Emancipation is a call to think deeply act ethically and remember that critique remains a vital tool in the struggle for a more just world

A Market Segmentation Exploration of Political Mobilization Under an Authoritarian System Hungsoo Khang, 1998 You Don't Know Me Win McCormack, 2008-08-01 YOU DON T KNOW ME unearths the scandals that don t quite align with the Republican Party s so called family values From Gingrich s serial affairs to O Reilly s lewd telephone conversations to Horsley s barnyard liaisons this compendium will shock readers and enlighten voters as to what happens behind the closed doors of the right YOU DON T KNOW ME A CITIZEN S GUIDE TO REPUBLICAN FAMILY VALUES outlines the hypocrisy behind some key G O P platforms In an easy to use A Z format Win McCormack demonstrates right wing depravity from adultery to zoophilia With a mix of high profile offenders such as Newt Gingrich Rudy Giuliani Bill O Reilly and Larry Craig and under the radar scandals You Don t Know Me makes a strong case that Republican finger pointing is no more than another instance of the pot calling the kettle black

Individual Differences and Sport Fans Todd Justin Wilkinson, 2006 **Negative Liberty** Darren W. Davis, 2007-03-02 Did America s democratic convictions change forever after the terrorist attacks of September 11 In the wake of 9 11 many pundits predicted that Americans new and profound anxiety would usher in an era of political acquiescence Fear it was claimed would drive the public to rally around the president and tolerate diminished civil liberties in exchange for security Political scientist Darren Davis challenges this conventional wisdom in Negative Liberty revealing a surprising story of how September 11 affected Americans views on civil liberties and security Drawing on a unique series of original public opinion surveys conducted in the immediate aftermath of 9 11 and over the subsequent three years Negative Liberty documents the rapid shifts in Americans opinions regarding the

tradeoff between liberty and security at a time when the threat of terrorism made the conflict between these values particularly stark. Theories on the psychology of threat predicted that people would cope with threats by focusing on survival and reaffirming their loyalty to their communities and indeed Davis found that Americans were initially supportive of government efforts to prevent terrorist attacks by rolling back certain civil liberties. Democrats and independents under a heightened sense of threat became more conservative after 9/11 and trust in government reached its highest level since the Kennedy administration. But while ideological divisions were initially muted, this silence did not represent capitulation on the part of civil libertarians. Subsequent surveys in the years after the attacks revealed that while citizens' perceptions of threat remained acute, trust in the government declined dramatically in response to the perceived failures of the administration's foreign and domestic security policies. Indeed, those Americans who reported the greatest anxiety about terrorism were the most likely to lose confidence in the government in the years after 2001. As a result, ideological unity proved short-lived and support for civil liberties revived among the public. *Negative Liberty* demonstrates that in the absence of faith in government, even extreme threats to national security are not enough to persuade Americans to concede their civil liberties permanently. The September 11 attacks created an unprecedented conflict between liberty and security, testing Americans' devotion to democratic norms. Through lucid analysis of concrete survey data, *Negative Liberty* sheds light on how citizens of a democracy balance these competing values in a time of crisis.

The Causes of Ideological Identification Kristian Dunn, 2009 [Encyclopedia of the World's Minorities](#) Carl Skutsch, 2005 This study of minorities involves the difficult issues of rights, justice, equality, dignity, identity, autonomy, political liberties, and cultural freedoms. The A-Z Encyclopedia presents the facts, arguments, and areas of contention in over 560 entries in a clear, objective manner. For a full list of entries, contributors, and more, visit the [Encyclopedia of the World's Minorities](#) website.

[Political Culture, Socialization, Democracy and Education](#) Russell Francis Farnen, 2008 This interdisciplinary book has contributions from scholars in the US, the EU, Korea, and Hungary from the fields of political science and education, sociology, communications, social work, and psychology. The major topics are political culture and socialization, education and learning theory, and communications, media, and politics. Specific topics include constructive patriotism, national pride, political socialization, public diplomacy, authoritarianism, and democracy, political cynicism, race and politics, civic education, gender and politics, the Internet and political media use, and electoral politics. This collection provides a fresh perspective on current issues such as political culture, socialization, and civic education, media use. Readers interested in politics, history, sociology, psychology, communications, and education will discover many new perspectives on everyday life and politics. [pub website](#)

[Comparative Sociology](#), 2004 *The Sociology Student Writer's Manual* William A. Johnson, 2010 For any introductory or advanced sociology course where students are required to complete a number of research and writing assignments. This comprehensive manual helps students at any level learn how to research and write in sociology and to improve their writing ability in general.

Current Publications in Legal and

Related Fields ,1997 *Humor* ,2002 **Explaining the Breakdown of Ethnic Relations** Victoria M. Esses,Richard A. Vernon,2008-08-04 Written by an international team of renowned scholars this volume addresses the multitude of factors that may lead to the deadly breakdown of ethnic relations The book Draws on real world case studies such as Rwanda Sudan and the Second Palestinian Intifada Brings together original contributions and theoretical perspectives by a team of experts in psychology and related disciplines such as sociology and political science Identifies events and processes that can break down inhibitions against violence and lead to mass killings and genocide Examines explanations that must be considered in making sense of past acts and offers suggestions for interventions to prevent future repetitions **Learning Democracy Together in School?** Lidija Kolouh-Westin,2004 **Current Directions in Social Psychology** Janet B. Ruscher,Elizabeth Yost Hammer,2007-06 CURRENT DIRECTIONS IN SOCIAL PSYCHOLOGY an Association for Psychological Science reader is edited by Janet B Ruscher Tulane University and Elizabeth Yost Hammer Loyola University This new and exciting reader includes over 20 articles that have been carefully selected for the undergraduate audience and taken from the very accessible Current Directions in Psychological Science journal These timely cutting edge articles allow instructors to bring their students real world perspective from a reliable source about today s most current and pressing issues in social psychology For details or to find out how to get these readers for FREE when purchased with Allyn and Bacon Psychology texts please contact your local Allyn and Bacon sales representative
