**Authority and Submission** Watchman Nee, 1998-06 *Authority and Submission (Annotated Edition)* Watchman Nee, 2026-01-15 Authority Submission Watchman Nee explains biblical authority and spiritual submission with clarity depth and practical application This book shows Where authority comes from God as the source of all true authority Why submission matters independence blocks spiritual growth The difference between obedience and submission How authority can be misused and how to recognize spiritual vs natural authority What God produces through submission maturity order protection and peace How this applies in the Christian life and the church Watchman Nee teaches that authority is not domination and submission is not weakness Both are meant to express God's government and preserve spiritual life Written with pastoral seriousness and strong biblical grounding Authority Submission is ideal for readers who want deeper discipleship church life clarity and a Christ centered understanding of spiritual order This Reader's Annotated edition includes brief chapter notes and selected footnotes to guide reflection [The Orthodoxy of the Church & Authority and Submission](#) Watchman Nee, Volume 47 of The Collected Works is composed of two books by Watchman Nee on the subject of the church and authority in the church The Orthodoxy of the Church is based on a Bible study conducted by Watchman Nee during the period between 1942 and 1948 This section of Volume 47 has been previously published as a separate title Authority and Submission based on a series of messages given by Watchman Nee in his training at Kuling Mountain in 1948 through 1949 contains two distinct but related parts In 1988 the Living Stream Ministry published the first part under the title Authority and Submission covering the general subject of spiritual authority and submission Volume 47 of The Collected Works includes a second previously untranslated part covering the matter of being God's deputy authority **The American Decisions, Containing All the Cases of General Value and Authority Decided in the Courts of the Several States**, 1881 **The Voice of God in Authority Relationships** David A Swincer, 2021-08-11 We live in a day when God's Voice is heard less and less References to God or celebrations like Christmas and Easter are devalued and avoided or reinterpreted for secular reasons References to God by prayers in Parliament and schools are reduced or removed Loud unprincipled voices are being heard instead of the truly authoritative Voice of God Godless evolution is promoted in most educational institutions with any believers in or sympathisers of creation being dismissed or intimidated Against all this ignorance we note that the only true source of authority is this same Almighty God Who is being silenced by the secular society And the effects of this fact are being felt at all levels of society with exceptionally sad oppression and injustice All authority as expressed in the functional structures of our society whether government and civil employment and education or domestic and private is only ever derived authority No one has authority vested in them by intrinsic right or by self achievement The only ones who claim such authority are dictators petty tyrants bully bosses tyrannical husbands intolerant drill instructors and the like No one serving under them would ever mistake their voice as even remotely expressing the

Voice of the true God The one and only true and sovereign God Who alone possesses authority is loving caring compassionate patient just longsuffering instructive How can this God s character be conveyed to our society Only through the derived authority expressed by Christians in the functional structures of society Others who have imbibed the Judeo Christian ethic will no doubt also express from their background something of God s character as well The need of the hour is for The Voice of God to be heard at all levels of society

**Authority Issues** Robert Smith,2011-10-31 It s frustrating to be under imperfect authority And sometimes it s more than frustrating we suffer when someone s authority is unfair capricious or just plain wrong But does that let us off the hook Do we have to listen only to those we agree with Robert Smith explains how God calls us to submit to authority even imperfect
