Authority In The Modern State

Harold Joseph Laski

Authority In The Modern State:

Authority in the Modern State Harold Joseph Laski, 1919 This volume is some sort the sequel to a book on the problem of sovereignty which I published in March 1917 Preface *Liberty in the Modern State* Harold Joseph Laski, 1972

Authority in the Modern State (Works of Harold J. Laski) Harold J. Laski, 2014-10-30 As a sequel to *Studies in the Problem of Sovereignty* this volume originally published in 1919 expands Laski's pluralist doctrine of the state using France as its reference but covers rather broader ground since its main object is to insist that the problem of sovereignty is only a special case of the problem of authority The result is a positive constructive analysis of politics and the theory of the state which examines the division and organisation of power the limitations of power and the significance of freedom the political theory of Bonald the revival of traditionalism and the role of the Church and the Civil Service **Authority in the Modern**

State Harold Joseph Laski, 1919 This volume is some sort the sequel to a book on the problem of sovereignty which I published in March 1917 Preface **Authority in the Modern State, By Harold J. Laski** Harold Joseph Laski, 1968

Authority in the Modern State Harold J. Laski, 2014-04-01 Laski Harold J Authority in the Modern State Originally published New Haven Yale University Press 1919 x 15 398 pp Reprinted 2003 2014 by The Lawbook Exchange Ltd ISBN 13 9781616194116 ISBN 10 1616194111 Paperback **Legitimacy in the Modern State** John H. Schaar, 1981-01-01 This analysis of the concept of authority in Western society constitutes a central work in political sociology and a fundamental critique of the process of modernization Schaar proposes that legitimate authority is declining in the modern state Law and order in a very real sense is the basic political issue of our time one that conservatives have understood with greater clarity than their liberal adversaries Schaar sees what were once authoritative institutions and ideas yielding to technological and bureaucratic orders The later brings physical comfort and a sense of collective power but does not provide political liberty or moral autonomy As a result he argues all modern states exhibiting this transformation of authority into technology are well advanced along the path of a crisis of legitimacy *Authority in the Modern State*, 1997 **Authority in the Modern State (Classic Reprint)** Harold Joseph Laski, 2017-11-21 Excerpt from *Authority in the Modern State* His volume is in some sort the sequel to a book on the problem of sovereignty which I published in March 1917 It covers rather broader ground since its main object is to insist that the problem of sovereignty is only a special case of the problem of authority and to indicate what I should regard as the main path of approach to its solution Where therefore the previous studies were in the main negative and critical this book is positive and constructive In the main the evidence upon which its conclusions are based is French That is because an earlier study of de Maistre convinced me that it is in France above all that the ideals I have tried to depict are set in the clearest and most suggestive light I had originally intended to follow this volume by a third essay on the political theory of the Conciliar Movement But it now seems to me more useful to attempt a definitely constructive analysis of politics in the perspective set by the first chapter of this present volume Accordingly I have planned a

full book on the theory of the state which I hope to have ready within a reasonable time For so modest a volume this book like its predecessors has debts too immense to go without acknowledgement Among the dead I would like to emphasise how very much I have learned from Acton and Maitland their writings have been to me a veritable store house of inspiration Among living men I owe much to Professor Duguit of Bordeaux to Dr Figgis and in spite of and perhaps because of our differences to Professor Dicey My old tutor Mr Ernest Barker of New College is the unconscious sponsor of this as of my earlier book Indeed if it has merit of any kind it is to the teaching of politics in the Modern History School at Oxford that I would ascribe it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Conscription, Family, and the Modern State Dorit Geva,2013-08-12 The development of modern military conscription systems is usually seen as a response to countries security needs and as reflection of national political ideologies like civic republicanism or democratic egalitarianism This study of conscription politics in France and the United States in the first half of the twentieth century challenges such common sense interpretations Instead it shows how despite institutional and ideological differences both countries implemented conscription systems shaped by political and military leaders concerns about how taking ordinary family men for military service would affect men s presumed positions as heads of families especially as breadwinners and figures of paternal authority The first of its kind this carefully researched book combines an ambitious range of scholarly traditions and offers an original comparison of how protection of men s household authority affected one of the paradigmatic institutions of modern states

Authority in the Modern State - Primary Source Edition Harold Joseph Laski,2014-01-05 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Authority In The Modern State Harold Joseph Laski Yale university press 1919 Church and state Sovereignty State The

Authority In The Modern State Introduction

In the digital age, access to information has become easier than ever before. The ability to download Authority In The Modern State has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Authority In The Modern State has opened up a world of possibilities. Downloading Authority In The Modern State provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Authority In The Modern State has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Authority In The Modern State. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Authority In The Modern State. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Authority In The Modern State, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Authority In The

Modern State has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Authority In The Modern State Books

1. Where can I buy Authority In The Modern State books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
