## **Authors Guide To Social Work Journals:**

**Social Work At The Millennium** Robert Morris,2007-09-12 For the last century social workers have attended to those in need and sought to improve the social and economic conditions of the disadvantaged At the dawn of a new century the country s leading social work practitioners and educators have come together in one stellar volume to assess the successes and failures of the field in its first hundred years They lay out the road social work must take to face the challenges ahead Along with two chapters by the editors June Gary Hopps and Robert Morris Social Work at the Millennium includes ten chapters from an exceptionally strong group of contributors offering a range of interpretations of the future of social work By looking with a critical eye at the past century and at the present day the authors come to varying conclusions that will stir debate within the field for years to come But all agree that social workers need a place at the policy drafting tables as well as in the human services triage rooms and that much work needs to be done to ensure that this happens Social Work at the Millennium presents the top voices of the social work field as they begin to craft the future of the profession and issues a challenge to social workers students scholars and policy makers to continue the discussion to shape a better future for the profession and the people it serves

*The Handbook of Social Work Research Methods* Bruce Thyer,2001 This volume is the definitive resource for anyone doing research in social work It details both quantitative and qualitative methods and data collection as well as suggesting the methods appropriate to particular types of studies It also covers issues such as ethics gender and ethnicity and offers advice on how to write up and present your research

**Journals of the Century** Tony Stankus,2019-12-06 This book first published in 2002 gathers some of America s top subject expert librarians to determine the most influential journals in their respective fields 32 contributing authors reviewed journals from over twenty countries that have successfully shaped the evolution of their individual specialties worldwide Their choices reflect the history of each discipline or profession taking into account rivalries between universities professional societies for profit and not for profit publishers and even nation states and international ideologies in each journal s quest for reputational dominance Each journal was judged using criteria such as longevity of publication foresight in carving out its niche ability to attract none are in the employ of any publisher but each is fully credentialed and well published and many are award winners The authors guide college and professional school librarians on limited budgets via an exposition of their analytical and critical winnowing process in determining the classic resources for their faculty students and working professional clientele

**Handbook for Academic Authors** Beth Luey,2002-06-10 In this fourth edition Beth Luey offers up to date advice to academic authors

**Research Design for Social Work and the Human Services** Jeane W. Anastas,2000-01-28 Research Design for Social Work and the Human Services integrates a range of research techniques into a single epistemological framework and presents a balanced approach to the teaching of research methods in the helping professions Jeane W Anastas begins with a discussion of the different philosophical perspectives within which social research occurs and continues with problem

formulation research design and methodological issues influencing data collection analysis and dissemination She presents both fixed quantitative and flexible qualitative methods of research granting legitimacy value utility and relevance to both styles of inquiry Utilizing complete case studies to illustrate different methodological approaches Research Design for Social Work and the Human Services integrates material on women and people of color and draws attention to the ways racism heterosexism sexism and classism affect the conceptualization and conduct of research Anastas not only exposes these biases but actively addresses the experiences needs and concerns of clients of both genders and different races ethnicities sexual orientations cultures and classes Journal of Education for Social Work ,2009 The Journal of Baccalaureate Social Work ,1998 Psychology and Psychiatry Serials Dorothy Marie Persson,1990 This valuable new bibliography fills a void in the reference literature of psychology and psychiatry by providing a guide to the major English language periodicals in these fields Designed to be a flexible collection development tool this practical volume will facilitate librarians decision making as they select and deselect serials according to the particular needs and interests of their patrons Psychology and Psychiatry Serials consists of 305 titles including some annuals arranged alphabetically The general topic areas include psychometrics experimental psychology developmental psychology personality physical and psychological disorders treatment and prevention educational psychology applied psychology and general psychology The journals were selected from those indexed in such sources as Psychological Abstracts and Current Index to Journals in Education and were reviewed on the basis of subject relevance importance within subject area attention to current professional issues level of scholarship and inclusion in major indexing and abstracting tools The citation for each publication consists of the current title date of publication of first volume under the current title frequency of publication publisher ISSN indexing and abstracting tools in which the publication is listed and a brief annotation Each entry also includes one or more subject codes that correspond to the 16 areas used for classification of Psychological Abstracts entries An index following the entries lists titles by subject area and list of publishers addresses is included to facilitate the request of sample issues and queries about the subscription process Created by professional librarians with years of experience in these subject areas Psychology and Psychiatry Serials has innumerable practical and theoretical applications for librarians the bibliography can be used in the technical services fields where serials control acquisitions and cataloging demand greater precision in the description of published materials the entries for publication histories and publication frequency can furnish authoritative data for bibliographic descriptions the annotations and subject category codes will be useful starting points for subject analysis the convenience of the bibliography makes characteristics of serial literature studies relatively easy to do since it reduces the amount of work an investigator needs to do to gather primary data about serials in terms of evaluating indexing and abstracting services of core materials the list has great potential for duplication and overlap studies with a core publication format the list can be used to quickly compare index counts in psychology and behavioral sciences as a whole and in particular subjects the list can also be

used as a companion to existing lists some of which are more comprehensive and exhaustive
