Authorship A Tale:

Authorship A Tale John Neal, 2004-06-01 Very fair but I would not have you suppose reader my dear fellow that I said to the girl in question all that I have said here By no means for long and long before I had come to the words No no my girl the maxim though true enough is a very bad one for you and such as you I had pitched myself head foremost into my gig without observing that another a very superb one was at the door and that somebody was standing at the large window who if I had caught a glimpse of her before I was fairly off would have put a stop to my speech for ever if not to me *Authorship* John Neal, 2016-05-22

Collaboration, and Authorship in German Culture John B. Lyon, Laura Deiulio, 2019-08-22 Gender Collaboration and Authorship in German Culture challenges a model of literary production that persists in literary studies the so called Geniekult or the idea of the solitary male author as genius that emerged around 1800 in German lands A closer look at creative practices during this time indicates that collaborative creative endeavors specifically joint ventures between women and men were an important mode of literary production during this era This volume surveys a variety of such collaborations and proves that male and female spheres of creation were not as distinct as has been previously thought It demonstrates that the model of the male genius that dominated literary studies for centuries was not inevitable that viable alternatives to it existed Finally it demands that we rethink definitions of an author and a literary work in ways that account for the complex modes of creation from which they arose Library of Choice Literature and Encyclopaedia of Universal Authorship

Wheeler, 2022-11-07 Quantitative linguistic research reveals fascinating patterns in contemporary and historical linguistic data The book offers insights from a broad range of languages including Japanese Slovene and Catalan The reader is convinced that statistic empirical analysis and increasingly also machine learning and big data should be an essential part of any serious linguistic enquiry The Authorship of 'Robinson Crusoe.' Dublin Sir Henry Craik,1882 *Authorship, Commerce and the Public* E. Clery,C. Franklin,P. Garside,2002-10-02 These essays explore the remarkable expansion of publishing from 1750 to 1850 which reflected the growth of literacy and the diversification of the reading public Experimentation with new genres methods of advertising marketing and dissemination forms of critical reception and modes of access to writing are also examined in detail This collection represents a new wave of critical writing extending cultural materialism beyond its accustomed concern with historicizing the words on the page into the economics of literature and the investigation of neglected areas of print culture *White Rose and Red. D.** Jonathan Swift,1910 **Lost Loves** Arshia Sattar,2011-06-09 The story of the Ramayana is a story of trial and tribulation of the subtlety of right and wrong of love and loss The actions of Rama the righteous but troubled prince of Ayodhya have perplexed readers over millennia Lost Loves is an attempt to come to terms with Rama and with the Ramayana a text that Arshia Sattar has translated to acclaim The essays in this book imagine what might have been the thoughts and feelings of Rama and Sita as they lived through those terrible years of trial and separation They explore what happens to love in separation and how public lives and private desires collide to devastating effect By trying to see the events of their lives as Rama and Sita may have seen them Arshia Sattar makes the existential conflicts of the Ramayana fascinatingly relevant and freshly inspiring for the contemporary reader **The Library of Literary Criticism of English and American Authors ...: 1825-1854** Charles Wells Moulton,1910 **The Saturday Review of Politics, Literature, Science and Art** ,1856
