William Butler Yeats

Autobiographies Of Whyeats:

Autobiographies William Butler Yeats, 2002 *Autobiographies* is made up of six autobiographical works that Yeats published in the mid 1930s. Together they provide a fascinating insight into the first 58 years of his life. The work provides memories of his early childhood through to his experience of winning the Nobel Prize for Literature. The volume contains explanatory notes and previously unpublished passages from candidly explicit first drafts.

Autobiographies William Butler Yeats, 2010-06-15 *The Collected Works of W B Yeats Volume III Autobiographies* is part of the fourteen volume series overseen by eminent Yeats scholars Richard J Finnerah and George Mills Harper. The series includes virtually all of the Nobel laureate's published work with authoritative and explanatory notes. *Autobiographies* consists of six autobiographical works: *Reveries Over Childhood and Youth*, *The Trembling of the Veil*, *Dramatis Personae*, *Estrangement*, *The Death of Synge* and *The Bounty of Sweden* that William Butler Yeats published together in the mid 1930s to form a single extraordinary memoir of the first fifty eight years of his life from his earliest memories of childhood to winning the Nobel Prize for Literature. This volume provides a vivid series of personal accounts of a wide range of figures and it describes Yeats's work as poet and playwright as a founder of Dublin's famed Abbey Theatre, his involvement with Irish nationalism and his fascination with occultism and visions. This book is most compelling as Yeats's own account of the growth of his poetic imagination. Yeats thought that a poet leads a life of allegory and that his works are comments upon it. *Autobiographies* enacts his ruling belief in the connections and coherence between the life that he led and the works that he wrote. It is a vision of personal history as art and so it is the one truly essential companion to his poems and plays. Edited by William H O'Donnell and Douglas N Archibald, this volume is available for the first time with invaluable explanatory notes and includes previously unpublished passages from candidly explicit first drafts.
