

THE
AUTOBIOGRAPHY OF

Montaigne

The Life, told by himself, of one of the wisest of men; his adventures in love, marriage, and war; his travels, tastes, and opinions. Selected, arranged, prefaced, and largely translated by Marvin Lowenthal who has withheld no curious or significant detail.

"It brings an undying book to new life."—Carl Van Doren

The Cambridge Introduction to Literature and Philosophy Anthony J. Cascardi,2014-02-17 Literature and philosophy have long shared an interest in questions of truth value and form And yet from ancient times to the present they have often sharply diverged both in their approach to these questions and in their relationship to one another Moreover the vast differences among individual writers historical periods and languages pose challenges for anyone wishing to understand the relationship between them This Introduction provides a synthetic and original guide to this vast terrain It uncovers the deep interests that literature and philosophy share while offering a lucid account of their differences It sheds new light on many standing debates and offers students and scholars of literary criticism literary theory and philosophy a chance to think freshly about questions that have preoccupied the Western tradition from its very beginnings up until the present
