Vol. II* Oliver Wendell Holmes, 2017-10 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates *The Autocrat of the Breakfast Table* Oliver Wendell Holmes, William Randolph Hearst, 2018-12 **The Autocrat of the Breakfast-table ... The Autocrat of the Breakfast-Table Oliver Wendell Holmes,2015-08-27 The interruption referred to in the first sentence of the first of these papers was just a quarter of a century in duration Two articles entitled The Autocrat of the Breakfast Table will be found in the New England Magazine formerly published in Boston by J T and E Buckingham The date of the first of these articles is November 1831 and that of the second February 1832 When The Atlantic Monthly was begun twenty five years afterwards and the author was asked to write for it the recollection of these crude products of his uncombed literary boyhood suggested the thought that it would be a curious experiment to shake the same bough again and see if the ripe fruit were better or worse than the early windfalls

Forty-second Edition Oliver Wendell Holmes,1885 **The Autocrat of the Breakfast Table** Oliver Wendell Holmes,1883 **Autocrat of the Breakfast Table** Oliver Wendell Holmes,2014-03 The interruption referred to in the first sentence of the first of these papers was just a quarter of a century in duration Two articles entitled The Autocrat of the Breakfast Table will be found in the New England Magazine formerly published in Boston by J T and E Buckingham The date of the first of these articles is November 1831 and that of the second February 1832 When The Atlantic Monthly was begun twenty five years afterwards and the author was asked to write for it the recollection of these crude products of his uncombed literary boyhood suggested

the thought that it would be a curious experiment to shake the same bough again and see if the ripe fruit were better or worse than the early windfalls So began this series of papers which naturally brings those earlier attempts to my own notice and that of some few friends who were idle enough to read them at the time of their publication The man is father to the boy that was and I am my own son as it seems to me in those papers of the New England Magazine If I find it hard to pardon the boy s faults others would find it harder They will not therefore be reprinted here nor as I hope anywhere The Autocrat of the Breakfast-Table Oliver Wendell Holmes,2019-07-14 The Autocrat of the Breakfast Table 1858 is a collection of essays written by Oliver Wendell Holmes Sr The essays were originally published in The Atlantic Monthly in 1857 and 1858 before being collected in book form The author had written two essays with the same name which were published in the earlier The New England Magazine in November 1831 and February 1832 which are alluded to in a mention of an interruption at the start of the very first essay Autocrat of the Breakfast Table Oliver Wendell Holmes,2013-08 The interruption referred to in the first sentence of the first of these papers was just a quarter of a century in duration Two articles entitled The Autocrat of the Breakfast Table will be found in the New England Magazine formerly published in Boston by J T and E Buckingham The date of the first of these articles is November 1831 and that of the second February 1832 When The Atlantic Monthly was begun twenty five years afterwards and the author was asked to write for it the recollection of these crude products of his uncombed literary boyhood suggested the thought that it would be a curious experiment to shake the same bough again and see if the ripe fruit were better or worse than the early windfalls So began this series of papers which naturally brings those earlier attempts to my own notice and that of some few friends who were idle enough to read them at the time of their publication The man is father to the boy that was and I am my own son as it seems to me in those papers of the New England Magazine If I find it hard to pardon the boy s faults others would find it harder They will not therefore be reprinted here nor as I hope anywhere *The Autocrat of the Breakfast-Table; Every Man His Own Boswell* Oliver W. Holmes,2013-07 THE AUTOCRAT OF THE BREAKFAST TABLE By Oliver Wendell Holmes Excerpt from The Autocrat s Autobiography The interruption referred to in the first sentence of the first of these papers was just a quarter of a century in duration Two articles entitled The Autocrat of the Breakfast Table will be found in the New England Magazine formerly published in Boston by J T and E Buckingham The date of the first of these articles is November 1831 and that of the second February 1832 When The Atlantic Monthly was begun twenty five years afterwards and the author was asked to write for it the recollection of these crude products of his uncombed literary boyhood suggested the thought that it would be a curious experiment to shake the same bough again and see if the ripe fruit were better or worse than the early windfalls So began this series of papers which naturally brings those earlier attempts to my own notice and that of some few friends who were idle enough to read them at the time of their publication The man is father to the boy that was and I am my own son as it seems to me in those papers of the New England Magazine If I find it hard to pardon the boy s faults others would find it harder They will not

therefore be reprinted here nor as I hope anywhere But a sentence or two from them will perhaps bear reproducing and with these I trust the gentle reader if that kind being still breathes will be contented It is a capital plan to carry a tablet with you and when you find yourself felicitous take notes of your own conversation When I feel inclined to read poetry I take down my Dictionary The poetry of words is quite as beautiful as that of sentences The author may arrange the gems effectively but their shape and lustre have been given by the attrition of ages Bring me the finest simile from the whole range of imaginative writing and I will show you a single word which conveys a more profound a more accurate and a more eloquent analogy Once on a time a notion was started that if all the people in the world would shout at once it might be heard in the moon So the projectors agreed it should be done in just ten years Some thousand shiploads of chronometers were distributed to the selectmen and other great folks of all the different nations For a year beforehand nothing else was talked about but the awful noise that was to be made on the great occasion When the time came everybody had their ears so wide open to hear the universal ejaculation of Boo the word agreed upon that nobody spoke except a deaf man in one of the Fejee Islands and a woman in Pekin so that the world was never so still since the creation Windham Press is committed to bringing the lost cultural heritage of ages past into the 21st century through high quality reproductions of original classic printed works at affordable prices This book has been carefully crafted to utilize the original images of antique books rather than error prone OCR text This also preserves the work of the original typesetters of these classics unknown craftsmen who laid out the text often by hand of each and every page you will read Their subtle art involving judgment and interaction with the text is in many ways superior and more human than the mechanical methods utilized today and gave each book a unique hand crafted feel in its text that connected the reader organically to the art of bindery and book making We think these benefits are worth the occasional imperfection resulting from the age of these books at the time of scanning and their vintage feel provides a connection to the past that goes beyond the mere words of the text
