Australians Aware:

Australia's Amazing Kangaroos Ken Richardson, 2012-07-18 This book provides an authoritative source of information on kangaroos and their relatives Topics include species characteristics and biology adaptations and function and conservation The book also discusses culling and the commercial kangaroo harvest as well as national attitudes to kangaroos and their value for tourism There are 71 recognised species of kangaroo found in Australasia Of these 46 are endemic to Australia 21 are endemic to the island of New Guinea and four species are found in both regions The various species have a number of common names including bettong kangaroo pademelon potoroo quokka rat kangaroo rock wallaby tree kangaroo wallaby and wallaroo Illustrated in full colour Australia s Amazing Kangaroos will give readers insight into the world of this intriguing marsupial an animal that has pride of place on the Australian Coat of Arms **Excel Revise in a Month School**

Certificate Australian History & Geography Ken Webb, Helen Rhodes, 2006 Historical Dictionary of Australia Norman Abjorensen, James C. Docherty, 2014-12-05 Australia s development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia *The A to Z of Australia* James C.

Docherty, 2010-04-01 The last continent to be claimed by Europeans Australia began to be settled by the British in 1788 in the form of a jail for its convicts While British culture has had the largest influence on the country and its presence can be seen everywhere the British were not Australia s original populace The first inhabitants of Australia the Aborigines are believed to have migrated from Southeast Asia into northern Australia as early as 60 000 years ago This distinctive blend of vastly different cultures contributed to the ease with which Australia has become one of the world s most successful immigrant nations The A to Z of Australia relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through a detailed chronology an introduction appendixes a bibliography and cross referenced dictionary entries on some of the more significant persons places and events institutions and organizations and political economic social cultural and religious facets author James Docherty provides a much needed single volume reference on Australia from its most unpromising of beginnings as a British jail to the liberal tolerant democracy it is today **The**
