**Authentic Interpretations on the 1983 Code** Lawrence G. Wrenn,1993      **New Commentary on the Code of Canon Law** John P. Beal,James A. Coriden,Thomas Joseph Green,2000 An entirely new and comprehensive commentary by canon lawyers from North America and Europe with a revised English translation of the code Reflects the enormous developments in canon law since the publication of the original commentary      **Penal Law in Action** Msgr. Daly, Brendan,2023 This book on penal law explains the main topics of penal law with cases and examples of its implementation using the changed text of Book 6 of the Code of Canon Law that will come into effect on December 8 2021 Pope Francis has revised Book 6 of the Code of Canon Law Penal Sanctions in the Church canons 1311 1399 Of these 89 canons 63 have been changed and others have been renumbered Changes include a new canon 1376 concerning the crimes of stealing and misappropriation of church property canon 1398 2 making the sexual abuse of minors by religious brothers and sisters a crime c 1398 1 no 2 making grooming a crime Other changes in canon law since 1983 have been incorporated into the new book 6 These include raising the age for sexual abuse from under age 14 to under age 18 a 1988 law imposing penalties for recording confessions penalties for the attempted ordination of a woman penalties for bishops failing to report or take sufficient measures against perpetrators of sexual abuse and for clerics using pornography of those under age 18      **The Roman Curia** Anthony Ekpo,2024-07-01 A historical theological and juridical explanation of the nature of the Roman Curia The Roman Curia is the central body for the administration of the Roman Catholic Church Its structure and organization is governed by Praedicate Evangelium a new law issued by Pope Francis in 2022 The nature of the Curia is both confusing to many and vitally important for the administration of the Church and the Vatican The Roman Curia provides a historical theological and juridical explanation of the nature of the Roman Curia highlighting its relationship to the Pope Ekpo provides a brief and highly intelligible overview of the development of the Roman Curia and its present configuration in the light of Pope Francis reorganization He shows the differences between the Holy See Vatican City State and the Curia defining each entity s role This overview of the Roman Curia and allied ecclesiastical institutions like the Vatican and the Holy See is the first comprehensive treatment in English on the reforms enacted by Praedicate Evangelium Teachers students and researchers alike will find this an invaluable on the nature history theology and juridical structures of the Roman Curia      **The Legal System of the Vatican City State** Konrad Dyda,2025-10-24 This book examines one of the fundamental phenomena in jurisprudence Legal Transplants reception of law the study of which allows us both to determine the relationships between various legal systems and between civil law and other normative systems Taking the Vatican City State as a case study the work explores the theoretical and practical significance of canon law in the legal system It analyses the sources of law and how it is applied in practice especially in the jurisprudence of the Vatican courts and other bodies applying the law The characteristic feature of this transplantation of law is the borrowing by the legislative and judicial

authorities of the State of various norms both of a strictly religious nature and those arising from the law of the Italian Republic the European Union the norms of international law and their creative use to produce a distinct system of law It is this creative use that constitutes the essence of the reception of law in the Vatican City State The book determines similarities and differences between the reception of law in the Vatican City State and other examples of reception of law including the implementation of European Union law by individual Member States the relationship between the reference by the Vatican legislator to the axiological foundations of the legal order and the role of legal principles in secular legislation how the confessional character of the Vatican City State affects the content of legal norms applicable in the State and whether this mechanism can be applied in secular states The book will be of interest to academics and researchers working in the areas of Law and Religion Canon Law and Legal Philosophy **Pope John Paul II and the Law, Part II.** ,2007

The Language of Canon Law Judith Hahn,2023 In this book Judith Hahn explores the legal order of the Roman Catholic Church to better understand how the Roman Catholic Church communicates as a legal institution She argues that the language of canon law reveals the political ideology of the church hierarchy and she takes up the tools of language and law scholarship to examine and challenge that language Hahn examines the grammar and terminology of canon law and how canon law language makes use of linguistic tricks and techniques to create its typical sound and discusses the comprehension difficulties that arise out of ambiguities in the law out of transfer problems between legal and common language and out of canon law s confusing mix of legal doctrinal and moral norms *Indian Theological Studies* ,2007

*The Congregation for the Eastern Churches* Michael Vattappalam,1999 *Disputed Questions in the Liturgy Today* John M. Huels,1988 John M Huels addresses these and other questions He speaks to pastors liturgy coordinators and others concerned bringing both a thorough understanding of the church s laws and a deep sense for the importance of liturgy in parish life His careful study of each topic provides the reader with far more than a ready answer Here is a way to look at and understand how law and liturgy come together in the discipline and practice of the church Book jacket **Canon Law**
