Outlaw Tales of the Old West: Fifty True Stories of Desperados, Crooks, Criminals, and Bandits Erin H.

Turner,2016-06-03 This collection of fifty outlaw tales includes well knowns such as Butch Cassidy and the Sundance Kid Frank and Jesse James Belle Starr and her dad and Pancho Villa along with a fair smattering of women organized crime bosses smugglers and of course the usual suspects highwaymen bank and train robbers cattle rustlers snake oil salesmen and horse thieves Men like Henry Brown and Burt Alvord worked on both sides of the law either at different times of their lives or simultaneously Clever shyster Soapy Smith and murderer Martin Couk survived by their wits while the outlaw careers of the dimwitted DeAutremont brothers and bigmouthed Diamondfield Jack were severely limited by their intellect or lack thereof Nearly everyone in these pages was motivated by greed revenge or a lethal mixture of the two The most bloodthirsty of the bunch such as the heartless and some might argue soulless Annie Cook and trigger happy Augustine Chac n surely had evil written into their very DNA

**Thunder in the West** Richard W. Etulain,2020-07-09 Even before he was shot and killed in 1881 Billy the Kid s charisma and murderous career were generating stories that belied his brief life and that only multiplied growing to legendary proportions after his death at age twenty one In Thunder in the West Richard W Etulain takes the true measure of Billy the man and the legend and presents the clearest picture yet of his life and his ever shifting place and presence in the cultural landscape of the Old West Billy the Kid born Henry McCarty in 1859 and also known as William H Bonney emerges from these pages in all his complexity at once a gentleman and gregarious companion and a thief and violent murderer Tapping new depths of research Etulain traces Billy s short life from his mysterious origins in the East through his wanderings in New Mexico Arizona and Texas As we move from his peripatetic early years through the wild West to his fatal involvement in the Lincoln County Wars we see the impressionable boy give way to the conflicted young man and finally to the opportunistic and often amoral outlaw who was out for himself for revenge and for whatever he could steal along the way Against this deftly drawn portrait Etulain

considers the stories and myths spawned by Billy's life and death. Beginning with the dime novels featuring Billy the Kid even during his lifetime and ranging across the myriad newspaper accounts, novels, and movies that alternately celebrated his outlaw life and condemned his exploits, Etulain offers a uniquely informed view of the changing interpretations that have shaped and reshaped the reputation of this enduring icon of the Old West. In his portrayal, Billy the Kid lives on not as a cut-throat desperado or a young charmer but as both hero and villain, myth and man fully realized in this twenty-first century interpretation.

History of the Big Bonanza, an Authentic Account of the Discovery, History, and Working of the World Renowned Comstock Silver Lode of Nevada William Wright, 1876     *Kit Carson, the Happy Warrior of the Old West* Stanley Vestal, 1928 A biography of famed Old West frontiersman Christopher Kit Carson. At various times Carson worked as a mountain man, fur trapper, wilderness guide, Indian agent, and American Army officer.     *Badasses of the Old West* Erin H. Turner, 2009-09-18 *Badasses of the Old West* brings together thirty-six tales of the worst and best robbers, rustlers, and bandits who shaped the history of the Wild West in one compelling volume. From the famous such as Billy the Kid and the Wild Bunch to the lesser-known but still colorful and wicked Charles Brown and Bud Stevens. Here are just some of the fascinating and forbidding faces you'll meet. Bud Stevens, whose murder of a cattle king's son rang a death knell for an entire South Dakota town. William Quantrill, the terror of Civil War-era Missouri. Legendary bandits Frank and Jesse James. Cold-blooded Sam Brown, who sneered while cutting out a man's heart but screamed in terror when the tables turned. Jack Slade, a composite of gentleman and murderer who was such an enigma across much of the West that he charmed both Mark Twain and Buffalo Bill. Dust off your six-shooter and settle into your saddle because this collection compiles the stories of the most notorious black-hat wearers of a notorious age.     *The Best of True West* Joe Austell Small, 1964 Collection of 28 stories first published in *True West* magazine.     *Western Gunslingers in Fact and on Film* Buck Rainey, 2015-11-17 Billy the Kid, Wild Bill Hickok, Belle Starr, Wyatt Earp, the Younger Gang, the Dalton Doolin Gang, and Bat Masterson—these real-life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins. All actually became larger-than-life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes. But it was in Hollywood that the line between reality and myth was completely blurred. Each chapter-length entry here first focuses on the known facts of the people's lives and how each became truly legendary during their lifetimes. The reality is then compared to how they have been portrayed in the movies.
