Authentic I Ching:

Original I Ching Margaret J. Pearson, 2012-02-07 First among the ancient classics the I Ching or Book of Changes is one of the world's most influential books comparable to the Bible the Koran and the Upanishads The I Ching's purpose is universal to provide good counsel to its users in making decisions during times of change Since its origins about 3 000 years ago it has become a compendium of wisdom used by people of many cultures and eras This groundbreaking new translation by Dr Margaret Pearson is based on the text created during the first centuries of the Zhou Dynasty study of documents showing how it was used in the dynasty and on current archaeological research findings Her translation removes centuries of encrusted inaccuracies to better reveal the I Ching's core truths for today's readers Whether you are interested in trying this millennia tested method of making wise choices or in understanding the worldview of the early Chinese this edition is essential reading *The Authentic I-ching* Henry Wei, 1987

The Original I Ching Oracle or The Book of Changes Rudolf Ritsema, Shantena Augusto Sabbadini, 2018-05-15 Often referred to as the Eranos edition this revised and updated translation offers the most substantial advance in I Ching since Richard Wilhelm introduced the oracle to the West in the 1920s The I Ching is one of the oldest Chinese texts and the world's oldest oracle Accumulated from over 2 500 years of diviners sages and shamans and born out of the oral tradition the I Ching as we know it today is a collection of texts imagery and advice philosophy and poetry divided into 64 chapters There are 64 hexagrams created from a collection of six lines either broken or solid In order to read from the book you must cast a hexagram The traditional method required yarrow sticks but nowadays is based on tossing three coins six times The Original I Ching Oracle or Book of Changes was inspired by Carl Gustav Jung's insights into the psyche and researched for more than 60 years through the Eranos Foundation of Switzerland It presents the oracular core of the I Ching as a psychological tool the symbols interact with our minds in the same way dream images do *I Ching*, 2014 This is a landmark new translation of the ancient Chinese oracle and book of wisdom in a stunning Penguin Classics Deluxe Edition The I Ching or Book of Change has been consulted through the ages in both China and the West for answers to fundamental questions about the world and our place in it The oldest extant book of divination it dates back three thousand years to ancient shamanistic practices involving the ritual preparation of the shoulder bones of oxen From this early form of communication with the other world it has become the Chinese spiritual book par excellence An influence on such cultural icons as Bob Dylan John Cage Merce Cunningham Philip K Dick and Philip Pullman the I Ching is turned to by millions around the world for insights on spiritual growth business medicine genetics game theory strategic thinking and leadership and of course for the window it opens on China This new translation over a decade in the making is informed by the latest archaeological discoveries and features a gorgeously rendered codex of divination signs the I Ching's sixty four Tarot like hexagrams It captures the majesty and mystery of this legendary work and charts an illuminating path to self knowledge

The Authentic I Ching Wang Yang, Jon Sandifer, 2003 Two authors who have written

extensively on health and preventative medicine show how using all three methods of the I Ching will help with life challenges such as health relationships and work The authors summarize the well known Classical Method for an intuitive insight into prediction and then go on to explain both the Mei Hua method and the Na Jia method Within each method a step by step process is described for how to create a hexagram analyze it and draw a conclusion helping readers to make the right and wise decision when presented with confusing alternatives Also featured is extraordinary and convincing data about the authenticity of the world s oldest prediction tool the I Ching including dozens of examples of events and predictions from all three methods described in *The Authentic I Ching* *The Original I Ching Oracle* ,2007 This remarkable work is the final result of 50 years of I Ching research and over 10 years of roundtables and seminars Based on a revolutionary translation method and inspired by Carl Jung s insights into the psyche *The Original I Ching Oracle* offers Western readers the closest possible approach to the true content of the ancient Chinese oracle By cutting through layers of philosophical analysis and recovering the original images of the I Ching it puts readers in contact with a deep universal dimension of the human psyche as important today as it was for the shamans in China over 3 000 years ago ***The Magical I Ching*** J. H. Brennan,2000 It s one of the oldest books on Earth and it has a message for you The I Ching is a mystical collection of ancient wisdom generally explained as a simple look up the answer method of fortune telling Now J H Brennan reveals to Western practitioners the magical spiritual techniques behind this most ancient oracle in *The Magical I Ching* This is a unique exciting and easy to use version of the ancient oracle Using the information in *The Magical I Ching* you will be able to contact the spirit sage waiting to tell you the inner meaning of any of the six line symbols you bring forth the hexagrams and how that meaning can change your life *The Magical I Ching* explains the history of the I Ching and how to develop the symbols by using several different methods including using six sticks or wands sixty four wands eight coins or the popular three coin technique The book analyzes each of the possible sixty four hexagrams that form the basis of the oracle in clear modern language anyone can understand That is just the beginning The I Ching has survived for so long because of its spirituality You ll learn how to use the book to enter astral doorways to mystic realms of reality It will allow you to create a new framework for operations of real magic You ll probe the deepest mysteries of Eastern esoteric thought It even shows you ways to put your life on a new and better course After 5 000 years the I Ching remains one of the most popular sources of spiritual wisdom in the world If it puzzled you in the past you ll be able to understand it at the deepest level possible when you read *The Magical I Ching*

The I Ching or Book of Changes ,2011-01-02 The bestselling English translation of the ancient classic of Chinese divination that has inspired millions with its timeless insights into the changing nature of existence *The I Ching or Book of Changes* has exerted a living influence in China for thousands of years Today it continues to enrich the lives of readers around the world First set down in the dawn of history as a book of oracles it grew into a book of wisdom with the inclusion of commentaries on its oracular pronouncements eventually becoming one of the Five Classics of Confucianism and providing

a common source for both Confucianist and Taoist philosophy This edition of the I Ching is the most authoritative and complete translation available preserving the spirit of the ancient text while providing a vital key for anyone who seeks to live harmoniously with the immutable law of change The book presents the sixty four hexagrams of the I Ching along with their texts and interpretations in a format especially designed for easy reference Unlike many editions of the I Ching it also features the Ten Wings supplemental writings traditionally ascribed to Confucius that provide indispensable insights into the symbolic structure of the hexagrams and their place in a cosmology where change is the only constant With an illuminating foreword by C G Jung and an informative introduction by Richard Wilhelm this beautiful edition of the I Ching shares the essence of wisdom and a true understanding of life

I Ching Edward A. Hacker, Steve Moore, Lorraine Patsco, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company

The Taoist I Ching Liu I-ming, 2005-05-03 The I Ching or Book of Change is considered the oldest of the Chinese classics and has throughout history commanded unsurpassed prestige and popularity Containing several layers of text and given numerous levels of interpretation it has captured continuous attention for well over two thousand years It has been considered a book of fundamental principles by philosophers politicians mystics alchemists yogins diviners sorcerers and more recently by scientists and mathematicians This first part of the present volume is the text of the I Ching proper the sixty four hexagrams plus sayings on the hexagrams and their lines with the commentary composed by Liu I ming a Taoist adept in 1796 The second part is Liu I ming s commentary on the two sections added to the I Ching by earlier commentators believed to be members of the original Confucian school these two sections are known as the Overall Images and the Mixed Hexagrams In total the book illuminates the Taoist inner teachings as practiced in the School of Complete Reality Well versed in Buddhism and Confucianism as well as Taoism Liu I ming intended his work to be read as a guide to comprehensive self realization while living an ordinary life in the world In his attempt to lift the veil of mystery from the esoteric language of the I Ching he employs the terminology of psychology sociology history myth and religion This commentary on the I Ching stands as a major contribution to the elucidation of Chinese spiritual genius

I Ching Readings Wu Wei, 2010-08-16 An indispensable companion to the classic Chinese book of wisdom known as the I Ching I Ching Readings is the only book ever published that shares the real life stories of people who have consulted the I Ching their questions the answers they received and the events that followed Wu Wei s informative stories show how the I Ching unerringly guides people to great success and how misinterpreted guidance can lead lives off track In this unique work you will also learn how to understand and interpret answers you receive from the I Ching and just as importantly how to phrase your questions to obtain the best possible answers It is a great comfort says Wu Wei to know that no matter how monumental our problem there is a solution to it that will put us in a better situation than we were before the problem arose

Teaching the I Ching (Book of Changes) Geoffrey Redmond,Tze-Ki Hon,2014-09-01 Chinese traditional culture cannot be understood without some familiarity with the I Ching yet it is one of the most difficult of the world s ancient classics Assembled from fragments with many obscure allusions it was the subject of ingenious but often conflicting interpretations over nearly three thousand years Teaching the I Ching Book of Changes offers a comprehensive study at a time when interest in Asian philosophy and the culture of China is on the rise Still widely read in China it has become a countercultural classic in the West Recent scholarship has radically altered our understanding of this foundational work Geoffrey Redmond and Tze Ki Hon present an up to date survey of recent studies including reconstruction of the early meanings excavated manuscripts the New Culture Movement and the Cultural Revolution To facilitate introducing the classic to students the necessary background is provided for university teachers and students even non China specialists The teaching approaches described will foreground the otherness of the classic yet engage the interests of twenty first century students Rather than dismissing the text s popular association with divination they explain why this mode of human thought has persisted for millennia Thus Redmond and Hon mediate between the two extreme views of the classic a source of timeless ancient wisdom on the one hand and a historical curiosity on the other Teaching the I Ching Book of Changes makes this important classic accessible to a broad readership thus providing a crucial service for those interested in China early civilization and world religion Now anyone with a serious interest can understand a text that continues to have a decisive influence on Chinese and world culture three thousand years after its original composition

The Complete I Ching — 10th Anniversary Edition Taoist Master Alfred Huang,2010-11-17 A revised edition of the definitive translation of the world s most important book of divination More than 64 000 copies sold of the first edition The first English translation from within the tradition by a Chinese Taoist Master Includes translations of the Ten Wings the commentaries by Confucius essential to the I Ching s insights Translated by the eminent Taoist Master Alfred Huang The Complete I Ching has been praised by

scholars and new students of the I Ching since its first edition A native Chinese speaker Master Huang first translated the original ideograms of the I Ching into contemporary Chinese and then into English bringing forth the intuitive meanings embodied in the images of the I Ching and imbuing his translation with an accuracy and authenticity not possible in other English translations However what makes his translation truly definitive is his return to prominence of the Ten Wings the commentaries by Confucius that are essential to the I Ching s insights This 10th anniversary edition offers a thorough introduction to the history of the I Ching how to use it and several new divination methods in depth and easy to reference translations of each hexagram name description and pictogram and discussions of the interrelations between the hexagrams and the spiritual meaning of their sequence

The Numerology of the I Ching Taoist Master Alfred Huang,2000-07-01 The first book to cover the complete Taoist teachings on form structure and symbol in the I Ching Provides many new patterns and diagrams for visualizing the layout of the 64 hexagrams Includes advanced teachings on the hosts of the hexagrams the mutual hexagrams and the core hexagrams Written by Taoist Master Alfred Huang author of *The Complete I Ching* The Numerology of the I Ching is the first book to bring the complete Taoist teachings on form structure and symbol in the I Ching to a Western audience and it is a natural complement to Alfred Huang s heralded *Complete I Ching* It examines not only the classic circular arrangement of the eight trigrams but also the hidden numerology in this arrangement and its relationship to tai chi and the Chinese elements Huang explains the binary code underlying the I Ching the symbolism behind the square diagram of all 64 hexagrams and Fu Xi s unique circular layout of the 64 hexagrams completely unknown in the West Entire chapters are devoted to such vital material as the hosts of the hexagrams the mutual hexagrams and the core hexagrams all barely hinted at in previous versions of the I Ching With appendices listing additional symbolism for each hexagram formulas for easily memorizing the Chinese names of the sixty four hexagrams and much more The Numerology of the I Ching is a must for serious I Ching students
