Authentic Engagement Dieumeme Noëlliste, 2023-03-15 Though called to partner in God's holy work of transformation the church has often responded with resignation rather than hope in the face of a broken hurting and violent world In *Authentic Engagement* Dieumeme and Mirlenda Noëlliste remind us that the church was never meant to content itself with faith in the hereafter However to fulfill its God-given role in society it must know what and whose it is and situate itself accordingly The authors explore questions of ecclesiology and establish the theological foundations for social engagement as they examine what it means to be a people defined by relationship with the triune God Arguing that the church has a mandate to see the world transformed they suggest a model of engagement that would empower believers to act as agents of transformation in all realms of society while remaining deeply rooted in their calling as ambassadors of a heavenly kingdom This book brings hope and conviction in equal measures as it reawakens the church to a consciousness of its identity its calling and its powerful potential to bring change in the here and now

The other *Teach for Authentic Engagement* Lauren Porosoff, 2023-07-24 Finding meaning vitality and community is the purpose of engagement and school itself Authentic engagement is a choice students make every day to bring themselves to their learning work and relationships rather than simply go through the motions of school It means sharing experiences asking questions trying new things making mistakes and allowing themselves to be seen heard and cared for It's an active choice that can lead to tremendous growth and satisfaction In *Teach for Authentic Engagement* Lauren Porosoff shows how to design instruction that lets students with diverse interests strengths needs identities and values connect to their learning Included are strategies tools and classroom anecdotes that help students Engage with the content so it becomes a source of meaning in their lives Engage with their work so it becomes a source of vitality Engage with each other so the class becomes a source of community It takes intellectual and emotional effort to teach in a way that fosters authentic engagement But when students feel connected to the content they engage with their work And when they feel like their learning matters they use that learning to understand and respect each other

The Age of Direct Citizen Participation Nancy C. Roberts, 2015-01-28 Citizen involvement is considered the cornerstone of democratic theory and practice Citizens today have the knowledge and ability to participate more fully in the political technical and administrative decisions that affect them On the other hand direct citizen participation is often viewed with skepticism even wariness Many argue that citizens do not have the time preparation or interest to be directly involved in public affairs and suggest instead that representative democracy or indirect citizen participation is the most effective form of government Some of the very best writings on this key topic which is at the root of

the entire reinventing government movement can be found in the journals that ASPA publishes or sponsors In this collection Nancy Roberts has brought together the emerging classics on the ongoing debate over citizen involvement Her detailed introductory essay and section openers frame the key issues provide historical context and fill in any gaps not directly covered by the articles More than just an anthology *The Age of Direct Citizen Participation* provides a unique and useful framework for understanding this important subject It is an ideal resource for any Public Administration course involving citizen engagement and performance management
