# Authority Of The Old Testament The

**Charles Harold Dodd**

## **Authority Of The Old Testament The:**

The Authority of the Old Testament John Bright,1975      **The Authority of the Bible** Charles Harold Dodd,1952      The Authority of the Bible John Stott,1974-03-01 John R W Stott explains why the Old and New Testaments still form the authoritative basis for Christian faith and practice      **Theological Diversity and the Authority of the Old Testament**

John Goldingay,1987 In this book John Goldingay examines how the diverse viewpoints reflected in the Old Testament may be acknowledged interrelated and allowed to function theologically In doing so he analyzes as well as synthesizes treating both the biblical text and scholarly interpretations of it Book jacket      *The Bible, the Church, and Authority* Joseph T.

Lienhard,2017-06-15 Since the early days of Christianity a tension has existed between the authority of the Bible and the authority of the Church This has been further heightened by the question of Bible translation How does the Word stand firm and yet continue to speak to a changing Church Joseph Lienhard a specialist in Early Christianity examines the evolution of the Christian canon by casting this question against the life of the early Christians Among the topics treated are the Christian use of Jewish Scriptures the Catholic and Protestant Old Testaments the emergence of the New Testament the struggle for the right interpretation of the Scriptures the problem of inspiration and modern attempts to explain the Church s New Testament canon theologically The book questions the use of historicist methods of interpretation and appeals to the Rule of Faith as the right norm for interpreting the Scriptures in the Church Joseph T Lienhard SJ earned his doctorate at the University of Freiburg im Breisgau Germany with two dissertations on Paulinus of Nola and Marcellus of Ancyra His work is in patristics He taught at Marquette University from 1975 to 1990 and since 1990 has been at Fordham University where he is also chair of the department of theology He has published *Ministry in the Message of the Fathers of the Church* series and other titles      People of the Book? John Barton,1988-01-01 In this book John Barton offers a positive but critical evaluation of biblical authority Among other topics he discusses the canon the value of the Bible as historical evidence the Bible s witness to the faith and the place of Scripture in worship He shows Christians that critical reading of Scripture is a help rather than a hindrance to their faith and affirms that they are not required to chose between fundamentalism and unbelief

*The Authority of the Old Testament in the Light of Old Testament Exegesis and the Authority of the New Testament in the Light of New Testament Exegesis* Leon Morris,1965\*      **Canonical Texts: Bearers of Absolute Authority - Bible,**

**Koran, Veda, Tipiaka** Rein Fernhout,2023-12-28 This book introduces a new approach to the comparative study of sacred texts here the Christian Bible the Islamic Koran the Hindu Veda and the Buddhist Tipiaka The author demonstrates that in spite of their great differences these works show a fundamental analogy Considered as canonical within their own religious context each text possesses absolute authority in comparison with other authoritative texts from their respective religious traditions This fundamental analogy allows one to describe the growth and history of these canons step by step as a process that takes place in analogous phases that are clearly distinguishable The author follows a strictly phenomenological method

he tries to understand the development of these canons in terms of a potential that lies within the phenomena themselves i e the texts while refraining in any way from assessing their claim to absolute authority In part I the author describes the development from the revelation of the texts to a climax with respect to reflection on the canons This climax has been reached in all four cases Part II investigates the crisis that these canons are currently undergoing as a consequence of the modern intellectual climate Can we expect that this crisis will be overcome by the canons And if so will they be in a position of mutual exclusion or will they form a sort of unity such as for example the Old and New Testament in the Christian Bible Finally the author traces what the religions themselves have postulated about the future of their respective canons The result is surprising the current crisis is only faint reflection of what according to age old predictions awaits the canons in the future

**Engaging Biblical Authority** William P. Brown, 2007-10-03 Is the Bible infallible as some churches claim Is it a historical document or a piece of literature as scholars suggest This helpful new book offers a brief introduction to the question of biblical authority using essays by sixteen scholars who use the Bible as the word of God in their own religious tradition and scholarship After William Brown introduces the basic issues of biblical authority each scholar presents a different but sympathetic view from his or her own perspective Included are traditional Reformed Lutheran Wesleyan Catholic Jewish and Orthodox views recent conservative and evangelical positions and critical African American Asian American Hispanic feminist and womanist perspectives

**The Scope and Authority of the Bible** James Barr, 1980 James Barr was one of the most formidable biblical scholars of the late twentieth century His prolific writings on text and philosophy Bible and interpretation as well as many other subjects add to his formidable stature in scholarship while his book *Fundamentalism* 1977 remains perhaps the most trenchant critical analysis and rebuttal of that approach to the Bible ever produced by a scholar The *Scope and Authority of the Bible* brings together seven essays that are representative of the author's style approach to and outlook on contemporary biblical topics Characterised throughout by freshness and openness of thought as well as the iconoclasm for which the author is famous this collection serves as an ideal introduction to one of the most important issues facing the churches today as well as to the author's thought as a whole James Barr was Religious Professor of Hebrew in the University of Oxford and Professor of Hebrew Bible at Vanderbilt University

**Christ and the Authority of the Old Testament...** Robert Harold Bragstad, 1942

**The Historicity of the Old Testament Messiah: By Whose Authority?** The Rev. Dr. Lawrence Olin Watt, 2024-01-16 About the Book The inspiration of Church Fathers Church Councils and the Roman Church was to impose a Church order The Church Order resolved to bring separation between oppressive Judaism and the Grace of the Risen Lord Examination of the history of the established Church and of the scriptural intent of the I AM on current established theology does not support this pretense The promises of Yehovah were for those who descended from Abraham and those who chose to become his heirs according to the covenants made with them Is the current teaching of the Church in accord with the six covenants or were those covenants alleviated Is the I AM the

same yesterday today and forever Did He change His mind Or is there a plan laid out in Scripture that we have ignored altered or misunderstood About the Author The Rev Dr Lawrence Olin Watt studied at Ottawa University 1969 1973 Midwestern Baptist Theological Seminary 1973 and 2017 2020 Central Baptist Theological Seminary 1974 1979 Central Michigan University 1992 1994 and the University of Phoenix 2005 2013 He has been a pastor in Churches in Kansas Missouri Illinois Indiana Michigan and Maryland He was a Special Education Administrator in Prince George s County Maryland He worked with emotionally challenged teenage boys in the Juvenile Justice Systems in Porter County Indiana and Newaygo County Michigan Dr Watt was on the Board of Directors for a support group assisting survivors of Suicide Dr Watt and his wife Keli have six adult children and a plethora of foster children Dr Watt is currently retired from the school and Juvenile Justice systems He Continues to serve as Pastor of Central Seventh Day Baptist Church in Upper Marlboro Maryland In his spare time Dr Watt works plays with his four Mopar Hemis He enjoys driving them across the United States and Canada
