## **Autism And Blindness:**

*Autism and Blindness* Linda Pring,2005 This book has brought together leading international experts to explore the similarities and the differences between autism and blindness Current research with children as well as adults is described comparing early psychological development from a range of perspectives such as language memory thought and feelings as well as providing critical reviews of educational and intervention programmes New developments in the field have sparked debate that is well represented here and touches on a variety of issues ranging from musical talent to the basis of connectedness to others The readership will be drawn from many fields reflecting the interdisciplinary nature of the topic and will include researchers and practitioners in psychology and psychiatry as well as educationalists therapists classroom teachers and parents

**Autism Spectrum Disorders and Visual Impairment** Marilyn H. Gense,2005 **The Biology of the Autistic Syndromes** Christopher Gillberg,Mary Coleman,2000-01-18 Autism is not a single disease but a syndrome of different diseases In this completely reworked and updated third edition two world authorities Christopher Gillberg and Mary Coleman address the difficulties this presents for clinical diagnosis with diagnostic aids and clear guidelines for medical evaluation Epidemiology neuropsychological studies and behavior complexes such as self injury are reviewed in detail and the authors give a detailed explanation of what is known about the molecular biology and genetics of autism Epilepsy and electrophysiological studies are also covered as well as biochemistry endocrinology immunology brain imaging and neuropathology The available medical therapies are reviewed along with an update on what is known about other interventions such as psychoeducational and behavioral modification procedures The book concludes with an integration of current knowledge from diverse fields This is an essential text for clinicians and will also be of interest to parents of autistic children

Ethics and Neurodiversity Alexandra Perry,Anthony Yankowski,2014-09-26 Increasingly voices in the growing neurodiversity movement are alleging that individuals who are neurologically divergent such as those with conditions related to bipolar disorder autism schizophrenia and depression must struggle for their civil rights This movement therefore raises questions of interest to scholars in the humanities and social sciences as well as to concerned members of the general public These questions have to do with such matters as the accessibility of knowledge about mental health autonomy and community within the realm of the mentally ill and accommodation in civil society and its institutions The contributors to Ethics and Neurodiversity explore these questions and the traditional philosophical questions related to them The authors pay special attention to the need to examine the policies and practices of institutions such as higher education social support and healthcare

Finding Consciousness in the Brain Peter G. Grossenbacher,2001-05-15 How does the brain go about the business of being conscious Though we cannot yet provide a complete answer this book explains what is now known about the neural basis of human consciousness The last decade has witnessed the dawn of an exciting new era of cognitive neuroscience For example combination of new imaging technologies and experimental study of attention has linked brain

activity to specific psychological functions The authors are leaders in psychology and neuroscience who have conducted original research on consciousness They wish to communicate the highlights of this research to both specialists and interested others and hope that this volume will be read by students concerned with the neuroscientific underpinnings of subjective experience As a whole the book progresses from an overview of conscious awareness through careful explanation of identified neurocognitive systems and extends to theories which tackle global aspects of consciousness Series B
