Autobiography of Dying Archie J. Hanlan,1979-01-01 *Dying in Character* Jeffrey Berman,2012 *Things I've Learned from Dying* David R. Dow,2014-01-07 Every life is different but every death is the same We live with others We die alone In his riveting artfully written memoir *The Autobiography of an Execution* David Dow enraptured readers with a searing and frank exploration of his work defending inmates on death row But when Dow's father in law receives his own death sentence in the form of terminal cancer and his gentle dog Winona suffers acute liver failure the author is forced to reconcile with death in a far more personal way both as a son and as a father Told through the disparate lenses of the legal battles he's spent a career fighting and the intimate confrontations with death each family faces at home **THINGS I'VE LEARNED FROM DYING** offers a poignant and lyrical account of how illness and loss can ravage a family Full of grace and intelligence Dow offers readers hope without cliché and reaffirms our basic human needs for acceptance and love by giving voice to the anguish we all face as parents as children as partners as friends when our loved ones die tragically and far too soon *Dying to Be Me* Anita Moorjani,2022-03-08 **THE NEW YORK TIMES BESTSELLER** I had the choice to come back or not I chose to return when I realized that heaven is a state not a place In this truly inspirational memoir Anita Moorjani relates how after fighting cancer for almost four years her body began shutting down overwhelmed by the malignant cells spreading throughout her system As her organs failed she entered into an extraordinary near death experience where she realized her inherent worth and the actual cause of her disease Upon regaining consciousness Anita found that her condition had improved so rapidly that she was released from the hospital within weeks without a trace of cancer in her body Within this enhanced e book Anita recounts in words and on video stories of her childhood in Hong Kong her challenge to establish her career and find true love as well as how she eventually ended up in that hospital bed where she defied all medical knowledge In *Dying to Be Me* Anita Freely shares all she has learned about illness healing fear being love and the true magnificence of each and every human being **Good Life, Good Death** Derek Humphry,2017-02-21 For nearly four decades Derek Humphry has blazed a trail for the right to die movement He founded the Hemlock Society pioneered Oregon's Death with Dignity Act and wrote the bestselling books *Final Exit* more than one million copies sold and a *New York Times* bestseller for eighteen weeks and *Jean's Way* UK bestseller But before his wife's terminal illness ravaged his life Humphry was a successful journalist In *Good Life Good Death* readers will learn how the twists and turns of fate led him to his life's purpose In his poignant memoir Derek tells of his broken family his wartime experiences as a boy in England and rising to the highest rungs of journalism on two continents In 1975 he lived with crippling fear and sadness when his beloved wife Jean was diagnosed with cancer As the disease gradually spread they both decided that rather than let a terminal illness run its course through extreme physical and emotional pain Jean would end her own life on her own terms at an agreed upon time and manner arranging her own last days Readers will witness the personal pain and emotional distress they endured as well as the legal repercussions Derek

faced following her death As Humphry writes It would be far more preferable to legalize medically assisted suicide for terminally ill adults for it is a tremendous strain and risk put on families To know why he has maintained this struggle for choice in dying against powerful religious and political forces it is necessary to understand the whole man In *Good Life Good Death* readers will appreciate the fight he has gone through so that others might consider the option of dying with dignity
