Autobiography Of William Francis Kett:

Autobiography of William Francis Kett (1870 to 1951) ... William Francis Kett, 1951 Autobiography of William Francis Kett b 1870 son of Henry Francklyn Kett and widow Laura Billings Temple Roe who was born in Worcester Massachusetts moving with his parents to Chicago shortly after his birth He married Mary Thompson Tuttle in 1891 at Sedalia Missouri He was a mining engineer working in Montana California Mexico Costa Rica England Idaho and elsewhere while he settled his family in Berkeley California *Personal Capitalism and Corporate Governance* Myrddin John Lewis, Roger Lloyd-Jones, Mark David Matthews, 2016-05-13 This book is specifically aimed at addressing a gap in the study of the evolution of corporate governance in Britain In particular its key theme the relationship between corporate governance and personal capitalism in British manufacturing in the first half of the twentieth century provides the means for a systematic and critical examination of the dominant Chandlerian paradigm that the long running persistence of personal capitalism shaped the governance of British manufacturing firms well into the twentieth century and acted to erode their competitive performance The book helps to identify those aspects of corporate governance that have undergone change with some critical observations on the magnitude of change and those aspects which have displayed characteristics of continuity The empirical spine of this book is set out in a series of case studies which provide the basis for the examination of corporate governance in Britain during the period c 1900 to 1950 By focusing particularly on the responses of a range of businesses to the turbulent environment of the inter war years this volume offers an insight into a much neglected yet vital area of business and economic history **Yale Western Americana Series** ,1970 *The Pursuit of Knowledge Under Difficulties* ,1995-12 This first history of nontraditional education in America covers the span from Benjamin Franklin s Junto to community colleges It aims to unravel the knotted connections between education and society by focusing on the voluntary pursuit of knowledge by those who were both older and more likely to be gainfully employed than the school age population Report of the Inspector of Mines for the State of Idaho for the Year ...
