Autobot Alert:

Autobot Alert! Judith Bauer Stamper, 1986-08 **Transformers and Philosophy** John R. Shook, Liz Stillwaggon
Swan, 2012-03-30 Transformers began with toys and a cartoon series in 1984 and has since grown to include comic books
movies and video games its science fiction story has reached an audience with a wide range second only to that of Star Wars
Here in Transformers and Philosophy a dream team of philosophers pursues the fascinating questions posed by humankind's
encounter with an artificially intelligent mechanical civilization Is genuine artificial intelligence possible Would a robotic
civilization come with its own morality and artistic life and would it find a need for romantic love Should we be more careful
about developing robots that may eventually develop ideas of their own Transformers and Philosophy puts Transformers
under a microscope and exposes its philosophical implications in an instantly readable way **Transformation: A
Personal Journey Through the British Transformers Comic Volume 1: 1984-1987** Stuart Webb, 2015-07-25 Starting in
1984 the British Transformers comic wasn't just a successful toy advert it taught a generation of British schoolboys how to
read through its exciting action packed pages With sales that vied with 2000AD writers Simon Furman and Bob Budiansky
created a generation of fan boys that have never looked back Stuart Webb was one such reader and in 2012 he began a
journey looking through every single issue of the series commenting on its highs and lows He became the first person to look
at every backup strip every comedic cartoon and each editorial and how they worked together to create the most thorough
exploration of a publishing phenomenon ever undertaken It's also personal full of humour and silliness and even the
occasionally thoughtful moment The final result is an essential read for Transformers fans and those interested in the history
of Marvel comics in the UK and the impact this comic had on an entire generation **The Transformers Ann
Matthews**, 1986 When Beachcomber goes on a holiday in his dune buggy mode he comes upon Rumble and discovers the
fortress of the Decepticons The reader must decide the plan of attack *Transformers Armada Official Guidebook* Michael
Teitelbaum, 2003-09 Jam packed with information illustrations and photographs of all 40 Transformers Armada robots this
official guidebook takes readers into the world of the popular television series Full color **Transformers: Revenge of the
Fallen** Alan Dean Foster, 2014-06-11 THE FALLEN SHALL RISE AGAIN This cryptic warning is ignored by the national
security adviser who feels the ruthless Decepticon threat is no more The allies are victorious the enemy has been defeated
and the world is safe Small attacks around the world have been contained and the remaining pieces of the coveted Allspark
are locked in an electromagnetic vault on one of the most secure Naval bases in the world But nothing is at it seems and
there is a shift in the shadows Things can change in an instant and fragile peace will become all out war **Decepticon
