Autocrat of the Breakfast Table Oliver Wendell Holmes,2014-03 The interruption referred to in the first sentence of the first of these papers was just a quarter of a century in duration Two articles entitled *The Autocrat of the Breakfast Table* will be found in the *New England Magazine* formerly published in Boston by J T and E Buckingham The date of the first of these articles is November 1831 and that of the second February 1832 When *The Atlantic Monthly* was begun twenty five years afterwards and the author was asked to write for it the recollection of these crude products of his uncombed literary boyhood suggested the thought that it would be a curious experiment to shake the same bough again and see if the ripe fruit were better or worse than the early windfalls So began this series of papers which naturally brings those earlier attempts to my own notice and that of some few friends who

were idle enough to read them at the time of their publication The man is father to the boy that was and I am my own son as it seems to me in those papers of the New England Magazine If I find it hard to pardon the boy s faults others would find it harder They will not therefore be reprinted here nor as I hope anywhere
