A Simple Decision

Rosina Ehmann

A Simple Decision:

Decisionology Daniel P. Gates, 2012-07-24 According to author Dan Gates decisionology is the analysis study discussion and exemplification of the decisions that may determine the direction of your life We put so much emphasis on the decisions and choices that high school students are making and will continue to make for the rest of their lives because these choices can potentially create or destroy a bright future Decisionology is designed to be a simple and effective resource that can be used whenever challenges or decisions arise This guide does not provide the answers required in a given situation rather it explains the many different types of decisions that are available and the potential consequences that each may bring Dan Gates Book Decisionology should be mandatory reading for the parent as well as the child as it definitely emphasizes the consequences of one's decisions and more importantly it prepares the students and parents for the decisions that are certainly coming and have to be met Hon Ed McLean Sitting District Court Judge Fourth Judicial District for Missoula and Mineral Counties in Montana Decisionology provides a plethora of real life examples which makes it relatable to an extremely large audience It would be perfect for the entire family Jessica L Weinert Science Educator

I Am Your Book Charlotte Jones,2019-07-11 If words have the power to heal this book is the perfect medicine Alex Howard Honest and heartfelt poetry telling a story that needs to be heard Steven Camden Polarbear This beautiful book takes you on a poetic journey through the wilderness of CFS ME Fibromyalgia Each poem is a little window into her soul Charlotte Jones bares all in this inspirational story of hope and healing These poems not only cover the pain and despair of living with such a debilitating illness but also highlight the joy love peace and acceptance she finds along the way When dealing with extreme emotions words repeat rhythmically in Charlotte s head over and over until she releases them onto the page in the form of poetry This has resulted in a raw heartwarmingly honest and sometimes humorous insight into the life of someone with CFS ME Fibromyalgia By sharing her story Charlotte hopes to help tackle the loneliness of those in its grasp give those around them an insight into their journey and raise awareness of the illness I laughed out loud and had tears streaming down my face all at the same time I felt so connected to it At last a book that really helped me understand A beautiful read capturing the daily life of CFS ME and Fibromyalgia with passion and honesty A courageous book written from the soul

Software Product Lines Gary J. Chastek,2003-08-02 Software product lines are emerging as an important new paradigm for software development Product lines are enabling organizations to achieve impressive time to market gains and cost reductions In 1997 we at the Software Engineering Institute SEI launched a Product Line Practice Initiative Our vision was that product line development would be a low risk high return proposition for the entire software engineering community It was our hope from the beginning that there would eventually be sufficient interest to hold a conference The First Software Product Line Conference SPLC1 was the realization of that hope Since SPLC1 we have seen a growing interest in software product lines Companies are launching their own software product line initiatives product line technical and business practices are maturing product line tool vendors are emerging and books on product lines are being published Motivated by the enthusiastic response to SPLC1 and the increasing number of software product lines and product line researchers and practitioners the SEI is proud to sponsor this second conference dedicated to software product lines We were gratified by the submissions to SPLC2 from all parts of the globe from government and commercial organizations From these submissions we were able to assemble a rich and varied conference program with unique opportunities for software product line novices experts and those in between This collection represents the papers selected from that response and includes research and experience reports
