A Song In Time For The Ages To Come:

The Song of Songs in the Early Middle Ages Hannah W. Matis,2019-01-28 In The Song of Songs in the Early Middle Ages Hannah W Matis examines how the Song of Songs the collection of Hebrew love poetry was understood in the Latin West as an allegory of Christ and the church This reading of the biblical text was passed down via the patristic tradition established by the Venerable Bede and promoted by the chief architects of the Carolingian reform Throughout the ninth century the Song of Songs became a text that Carolingian churchmen used to think about the nature of Christ and to conceptualize their own roles and duties within the church This study examines the many different ways that the Song of Songs was read within its early medieval historical context *Your Own Song To Sing* Saverio,2010-05-25 AUTHOR UP CLOSE I have been a contractor most of my adult life This is actually a second career for me Hopefully you have enjoyed many of my lyrics in this book Some words I spelled wrong on purpose I guess you know that by now I did so the end of the word would have the effect I wanted many lyricists do that If by chance there are others then shame on me and my spell check Grammar never was my best subject I m married with six children and nine grandchildren Working in any form has been my many hobbies This is my first edition of Your Own Song to Sing I will be doing additional editions probably one a year for the next four or five years Without writing any new material I have enough to fill that many books and yes I m still writing Again I surely hope to see some of you that use my lyrics if not on center stage when the awards come around
