Writing Your Way Through College Sheryl I. Fontaine, Cheryl Smith, 2008

Writing academic essays in college often seems mysterious to students who do not yet understand the process of developing an idea into a finished piece of reasoned prose

Writing Your Way Through College demystifies that process and enables teachers to help students invent the university as they reinvent themselves as proficient writers and rhetorical problem solvers

Writing Your Way Through College offers instructors a set of careful lessons that draw on current disciplinary knowledge in composition and rhetoric

Sheryl Fontaine and Cheryl Smith provide a classroom centered text that guides students through progressively more complex evidence based writing

Writing Your Way Through College offers students and teachers practical lessons on writing and learning a set of assignments that build incrementally a support system for new instructors

accessible information about college writing a flexible approach to the classroom

In a concise readable format

Writing Your Way Through College offers insights into how individuals negotiate language communities so that students can better master the conventions and rhetorical characteristics of academic writing

A creative and effective template for the teaching of writing

Writing Your Way Through College belongs on every shelf and in every classroom
