A Stand Up Guy:

A Stand-Up Guy Michael Snyder, 2011-08-16 In his third novel author Michael Snyder delivers another honest authentic and intriguing plot carried along by quirky characters whose actions and reactions still manage to look and sound like the rest of us It is often said that every good joke contains some basic truth In *A Stand Up Guy* aspiring comedian Oliver Miles puts that axiom to the test when he revamps his comedy act by filling it with darkly personal truths about friends and family But as the edgy humor begins to attract more attention the young comic's personal life gets more complicated When he realizes he has managed to turn the two women he cares about most into props for his act he wonders if his honesty on stage is making him dishonest in life Despite the sobering reality of his world off stage the laughter and the success is intoxicating even for a stand up guy *A Stand Up Guy* is a real story about real people struggling with life's rights and wrongs It will appeal to anyone who enjoys a uniquely woven relational drama threaded with a little mystery and delivered with a lot of humor and insight

Standup Guy Michael Segell,2010-10-06 Three decades after American women changed their strategy in the battle of the sexes how do men really feel About themselves About feminism Is it still possible for men to be heroes Aggressive pursuers of status and dominance their traditional goals In this candid dispatch from the front lines of the gender war journalist Michael Segell delivers some provocative answers As a columnist for *Esquire* and an editor at *Cosmopolitan* Segell began to document a serious disconnect between American men and women a seemingly unbridgeable divide between what men and women say in public about sexual roles and their very real private thoughts and desires Women today expect that they will be fulfilled both professionally and personally But often Segell found men are secretly too angry and resentful to woo or stay married to women they view as competitors The result for men a passive aggressive approach to women a historic aversion to intimacy the euphemistic lack of commitment and a rapidly declining marriage rate Even astonishingly a new mode of payback sexual withholding After interviewing disaffected combatants married and single on both sides of the ideological divide and tracing the causes of men's pain and confusion Segell embarked upon a search for the kind of man who can end this sexual stalemate a man who doesn't retreat from successful women Over time a portrait resolved Both a lover and a fighter he's tough and competitive yet loving and compassionate stoic yet emotionally sophisticated skilled in the bedroom and the boardroom In short a standup guy Deep in an all male universe at men's retreats and in locker rooms Segell limns the evolution of a new masculinity a model that reaffirms traditional male virtues the durability of manly friendship the immutability of the ancient laws of sexual attraction the delights of marriage and children and the importance of the bond however challenging and strained between fathers and sons Along the way he turns his focus upon himself offering moving accounts of the events and relations that have shaped his own vision of what it means to be a man Finally through keen analysis of sexual manners and rhetoric Segell offers a
