with five children and a husband but their conversation together in a room that resembles Alissa s concerns whether or not one can hold onto a love that is unrequited as J r me still loves Alissa so it would seem that Juliette still loves J r me though both loves are equally as impossible New England Magazine ,1899 Historical Collections of the Danvers Historical Society Danvers Historical Society,1925 Includes Necrology **The British Quarterly Review** Henry Allon,1876
