Clark Douglass, EdD,2017-03-30 Perley arrived into this world weighing less than two pounds He was loved and nurtured in a small shoe box in a warming oven by night and on the window sill during the day when the sun was out Deep in his heart and soul that love never left him and he has done unto others what was done unto him show love Perley the Magician is the miracle man that we all love and the show must go on After being diagnosed with Stage 4 Cancer in the spring of 2014 Perley never missed a show for adults or children This book radiates the love people feel for Perley with numerous memories and tributes intertwined with Perley s life journey Perley lives his life as a testimony of his love for God his wife Valerie family and friends and especially the children that he loves to make happy *Addison the April Fool's Day Fairy* Daisy Meadows,2014 Anticipating a fun filled day of pranks and mischief on April Fool s Day Rachel and Kirsty are enlisted to help Addison the April Fool s Day Fairy to retrieve her magic items from a thieving Jack Frost Original **Connecting Holidays & Literature** Deborah Plona Cerbus,Cheryl Feichtenbiner Rice,1992 Reproducible pages provide specific strategies and activities for integrating holiday activities with more than 30 related children s literature selections **Disney's Celebrate the Year with Winnie the Pooh** Alan Alexander Milne,1999 Presents six illustrated stories in which Winnie the Pooh and his friends celebrate Valentine s Day Easter April Fools Day Halloween Thanksgiving and Christmas **To Light the Flame of Reason** Christer Sturmark,2022-05-01 *To Light the Flame of Reason* is all about the art of clear thinking an art that is needed now more than ever in the world we now live in Written for anyone who wants to navigate better in this world filled with populist dogmas anti science attitudes and pseudo philosophy authors Christer Sturmark and Douglas Hofstadter provide a set of simple tools for clear thinking as well as a deeper understanding of science truth naturalism and morality It also offers insights into the rampant problems of extremism and fundamentalism and suggestions for how the world can move towards a new enlightenment The book argues that we need to reawaken the basic values and ideals that defined the original age of enlightenment We need to accept the idea that the world we inhabit is part of nature and that it has no trace of supernatural or magical forces Ethical questions should be detached from religion This doesn t mean that the questions become any easier

just that ideas are tested and judged without being profoundly tainted and constrained by religious dogmas Such a form of secular humanism builds on the power of free thought the power to investigate and understand the natural world Although not everything can be investigated or understood the sincere quest for knowledge and understanding establishes a flexible nondogmatic attitude toward the world Curiosity and openness lie at the core of such an attitude The scientific method of careful and open minded testing as well as science s creative and reflective ways of thinking provides key tools What clear science inspired thinking helps us to understand among many other things is that a person can be good and can be motivated to carry out morally good actions without ever bowing to or being limited by supposedly divine forces To Light the Flame of Reason will appeal to adults who are trying to figure out how to deal with the ever increasing daily bombardment of conflicting messages about what is right true sensible or good and it should appeal even more to teenagers and university students who are struggling to find a believable and reliable philosophy of life that can help guide them in their choices of what and whom to trust and how to act both on the personal and the social level Today more people have greater access to information and knowledge than ever was dreamt of before and more people are concerned about the world situation More people have the chance through their own actions to make a difference Each one of us as an individual matters It is thus vitally important that each of us should choose in a conscious and reflective manner our own views of reality of the world and of humanity And this means that it is crucial for us all to train ourselves in the art of thinking clearly Christer Sturmark along with Pulitzer Prize winning author Douglas Hofstadter argue that we must refocus our efforts on cultivating a secular society and in doing so we will rediscover the values and ethics that are so foreign in today s society
