JOHN F. BOYLE

# Aquinas On Scripture

**Thomas Weinandy**

## **Aquinas On Scripture:**

**Aquinas on Scripture** Thomas Gerard Weinandy, Daniel A. Keating, John Yocum, 2005-10-20 This text evaluates the biblical commentaries of St Thomas Aquinas for the modern age with each commentary examined by an expert Each chapter focuses on the two or three major themes of its particular commentary and also relates the themes of the commentaries to Aquinas Summa Contra Gentiles and especially to his Summa Theologica

**Aquinas on Scripture: A Primer** John F. Boyle, 2023-01-26 With precision and profundity born of thirty years of devoted study John Boyle offers an essential introduction to St Thomas Aquinas on Scripture shedding helpful light on the goals methods and commitments that animate the Angelic Doctor's engagement with the sacred page Because the genius of St Thomas's approach to the Bible lies not so much in its novelty but rather in the fidelity and clarity with which he recapitulates the riches of the preceding interpretive Tradition this initiation into St Thomas's vision of Scripture is itself an orientation to the Church's vision of Scripture from the Fathers through and beyond the Middle Ages St Thomas's embeddedness within the Church's Tradition and his own historical context is integral to his approach to Scripture yet it sets him at some distance from modern readers for whom his interpretive vision may seem perplexing or even impenetrable In this primer Boyle first provides an acclimation to this medieval context through a survey and explanation of pertinent technical terminology used by St Thomas and characteristic of the scholastic theology of the time With an eye to the medieval practice of considering Scripture according to the fourfold division of causes Boyle builds on this initial foundation by exploring in turn St Thomas's accounts of the end or use of Scripture final cause its divine and human authorship efficient cause its order and division material cause and its literary styles or genres formal cause Drawing on writings from across St Thomas's corpus but especially his work On the Commendation and Division of Sacred Scripture and the prologues to his biblical commentaries Boyle masterfully elucidates both the hermeneutical principles and deep wisdom of the Angelic Doctor's approach to Scripture imparting invaluable guidance not only for reading and understanding St Thomas and other great masters of the Tradition but also and ultimately for understanding Scripture in light of this Tradition and reading it with greater benefit and joy

*Aquinas on Scripture* Thomas Weinandy, 2005-10-20 This book evaluates all the biblical commentaries of St Thomas Aquinas for the modern age with each commentary examined by an expert specialist scholar in that field Each chapter focuses on the two or three major themes of its particular commentary and also relates the themes of the commentaries to Aquinas Summa Contra Gentiles and especially to his Summa Theologica The purpose of this volume is not only to evaluate Aquinas commentaries but also in so doing to demonstrate that Aquinas is primarily a biblical theologian a consideration that has come more and more to the fore in recent studies No other book systematically addresses this important issue for Aquinas biblical studies and theology

*St. Thomas Aquinas as an Interpreter of Holy Scripture* Hugh Pope, 1924

**Words of the Living God** Pim Valkenberg, 2000 The aim of this book is to find an answer to the question how did St Thomas Aquinas 1224-5-1274 use Holy

Scripture in his theology Distinguishing between a quantitative method for determining the place of Scripture in a theological text and a qualitative method for determining its functions the author of this study concludes that Aquinas does not only use Scripture in several functions in his theology but first and foremost regards Scripture as source and framework of theology itself While an analysis of Aquinas texts on the resurrection of Christ shows the functioning of Scripture as a factor within the text but also as a precondition for the text a series of comparisons between different subject matters literary genres and sources show that the importance of Scripture is a characteristic of Aquinas theology in its entirety even at places where Scripture is not quoted at all This conclusion does not only show the ecumenical importance of Aquinas theology but also the relevance of his theological manner of reading Scripture for modern theologians Thomas Aquinas, Biblical Theologian Roger Nutt, Michael Dauphinais, 2021-01-29 In the past eight hundred years it is possible that no other theologian has shaped our understanding of God man and the Church more than St Thomas Aquinas While many people are familiar with his most famous work the Summa Theologiae fewer know of his important role as a biblical theologian But in fact Aquinas primary work was biblical theology His biblical commentaries remain invaluable in the ongoing work of Scripture study The essays in Thomas Aquinas Biblical Theologian explore some of Aquinas most important contributions within his biblical commentaries and the ongoing work of Scripture study A dozen contributors explore Aquinas thought on faith and revelation the study of the Sacred Page and other dogmatic and moral considerations Reading Sacred Scripture with Thomas Aquinas Piotr Roszak, Jörgen Vijgen, 2015 Thomas Aquinas is still most widely known for his works in systematic theology Summa theologiae and as a commentator of Aristotle Recent decades however have seen a revived interest in Aquinas as a biblical scholar The essays gathered in this volume explore the richness of his biblical commentaries by analyzing the hermeneutical tools employed in his reading of Scripture and investigating the contemporary relevance of his biblical exegesis Its goal is to familiarize the contemporary reader with an indispensable dimension of his scholarly activity as a master in Sacred Scripture magister in sacra pagina Aquinas taught theology as a form of speculative reading of the revealed Word of God and hence the reading of the various books of the Bible constituted the axis of his scriptural didactics Altogether the nineteen contributions in the volume offers an up to date analysis of Aquinas s contribution to medieval biblical exegesis and points to ways in which it can enrich contemporary debates on the relation between exegesis and systematic theology **Reading Romans with St. Thomas Aquinas** Matthew Levering, Michael Dauphinais, 2012-04-16 St Thomas Aquinas produced his commentary on Romans near the end of his life while working on the Summa theologiae and commenting on Aristotle The doctrinal richness of Paul s letter to the Romans was well known to the church fathers including Origen and Augustine on whom Aquinas drew for his commentary With this rich collection of essays by leading scholars both Catholic and Protestant Aquinas s commentary will become a major resource for ecumenical biblical and theological discussion Authored by theologians historians and biblical scholars Reading Romans with St Thomas Aquinas contributes to a

historical reconstruction of Aquinas's exegesis and theology by addressing such topics as the Holy Spirit the Church the faith of Abraham worship preaching justification sin and grace predestination Paul's apostolic vocation the Jewish people human sexuality the relationship of flesh and spirit in the human person the literal sense of Scripture Paul's use of the Old Testament and the relationship of Aquinas's commentary on Romans to his *Summa theologiae* This volume fits within the contemporary reappropriation of St Thomas Aquinas which emphasizes his use of Scripture and the teachings of the church fathers without neglecting his philosophical insight Contributors Bernhard Blankenhorn Markus Bockmuehl Hans Boersma John F Boyle Edgardo Colón Emeric Holly Taylor Coolman Adam Cooper Michael Dauphinais Gilles Emery Scott W Hahn John A Kincaid Mary Healy Matthew Levering Bruce Marshall Charles Raith II Geoffrey Wainwright Michael Waldstein and Robert Louis Wilken

**ABOUT THE EDITORS** Matthew Levering is professor of theology at the University of Dayton Michael Dauphinais is academic dean and associate professor of theology at Ave Maria University Each has authored or edited numerous works together they have written *Holy People Holy Land A Theological Introduction to the Bible* and edited *Reading John with St Thomas Aquinas Theological Exegesis and Speculative Theology*

**Aquinas on Doctrine:** Thomas Gerard Weinandy, Daniel Keating, John Yocum, 2004-02-01 This book provides a critical study of the main Christian doctrines as understood and explained by Thomas Aquinas The whole Thomistic revival of the last century focused almost exclusively on Aquinas as the Christian philosopher Thus books and articles developed his understanding of being his epistemology natural theology etc However little has been done even to this day by way of examining Aquinas teaching on the major Christian doctrines This book of essays by an international team of recognised scholars will help fill this gap Such a book will be indispensable in every theological library

*Scripture and Metaphysics* Matthew Levering, 2008-04-15 This book makes a major contribution to contemporary theological and philosophical debates bridging scriptural and metaphysical approaches to the triune God Bridges the gap between scriptural and metaphysical approaches to biblical narratives Retrieves Aquinas's understanding of theology as contemplative wisdom Structured around Aquinas's treatise on the triune God in his *Summa Theologiae* Argues that intellectual contemplation is part of a broader spiritual journey towards a better understanding of God Contributes to the current resurgence of Thomistic theology in both Protestant and Catholic circles

**Reading John with St. Thomas Aquinas** Michael Dauphinais, Matthew Levering, 2005 Written by leading experts on Aquinas's theology the essays in *Reading John with St Thomas Aquinas* bear common witness to a central theological conviction the tasks of biblical exegesis and speculative theology though distinct indwell and inform each other As the first book length study of the full breadth of Aquinas's *Commentary on the Gospel of John* this work illuminates the way in which thinking systematically or speculatively about revelation flows from questions raised within biblical exegesis itself Like any medieval biblical commentator Aquinas attempts to understand a biblical text not only in itself but also by appealing to parallel interpretive texts drawn from throughout the Bible as well as the accumulated insights of the Church Fathers This method enables him to

penetrate deeply into the thought of the Bible recognizing that the biblical authors speaking from within the context of Israel and the Church raise questions that are theological and that belong to coherent speculative theological frameworks The result is in large part a speculative theological commentary that is not imposed on the biblical texts but emerges from it necessary conjunction of the inspired words of Scripture exegetical commentary and theological analysis The volume is both a study of Aquinas s thought and an attempt to foster contemporary exegetical approaches that emphasize the need to interpret Scripture speculatively through the historical lens of tradition

**Reading the Sermons of Thomas Aquinas: A Beginner's Guide** Randall B. Smith, 2016-12-01 Preaching was immensely important in the medieval Church and Thomas Aquinas expended much time and effort preaching Today however Aquinas s sermons remain relatively unstudied and underappreciated This is largely because their sermo modernus style typical of the thirteenth century can appear odd and inaccessible to the modern reader In *Reading the Sermons of Thomas Aquinas* Randall Smith guides the reader through Aquinas s sermons explaining their form and content In the process one comes to appreciate the sermons in their rhetorical brilliance beauty and profound spiritual depth while simultaneously being initiated into a fascinating world of thought concerning Scripture language and the human mind The book also includes analytical outlines for all of Aquinas s extant sermons *Reading the Sermons of Thomas Aquinas: A Beginner s Guide* is an indispensable volume for those interested in the thought of Aquinas in the intellectual and spiritual milieu in which he worked and in the manifold ways of preaching the Gospel message

*Catena Aurea* St. Thomas Aquinas, 1861 This collection has been meticulously reproduced from the original It is NOT produced from an OCR copy it is a true 100% word by word copy English Greek Hebrew of the original The built in table of contents includes links down to each verse in all four of the gospels This is the ultimate e version of Aquinas majestic work St Thomas Aquinas *Catena Aurea* is the masterpiece anthology of Patristic commentary on the Gospels and includes the work of over eighty Church Fathers Imagine a round table discussion of the Gospels among the supreme theologians of the Church The *Catena Aurea* is very close St Thomas Aquinas compiled this opus from sermons and commentaries on the Gospels written by the early Church Fathers arranging their thoughts in such a way that they form a continuous commentary on each Gospel For each of the four Gospel writers the *Catena Aurea* starts by indicating the verses to be analyzed then taking each verse phrase by phrase provides the early Fathers insights into the passage St Thomas Aquinas *Catena Aurea* is a masterpiece anthology of Patristic commentary on the Gospels it includes the work of over eighty Church Fathers St Thomas Aquinas work demonstrates intimate acquaintance with the Church Fathers and is an excellent complement to the more recent attempts to understand the inner meaning of the Sacred Scriptures For each of the four Gospel writers the *Catena Aurea* starts by indicating the verses to be analyzed then phrase by phrase provides the early Fathers insights into the passage The unchanging rule of the Church is that no one is to interpret the Sacred Scripture contrary to the unanimous consent of the Fathers Vatican I Just as in our own day there has been renewed interest in the

Church Fathers so in the 13th century when the Catena Aurea was compiled the western church was undergoing a similar revival of interest in the ancient patristic authors and the works of many Eastern Fathers were translated from Greek to Latin for the first time During this period there was increasing hunger for the true and authentic interpretation of Scripture which the Church Fathers hold the key to St Thomas Aquinas was commissioned to write the Catena Aurea by Pope Urban IV in order that an orthodox Patristic commentary on the Gospels was readily available to all readers John Henry Newman who is widely expected to be canonized next year was responsible for its translation into English in 1841 Cardinal Newman hoped that the Catena Aurea would become a source of catechesis within the family and the Church Cardinal Newman's edition of the Catena Aurea is one of the jewels of the 19th century Catholic Restoration making the scholarship of the Fathers available to a wider audience As with many 19th century texts it employs a sober dignified style of English which is eminently suitable to the unsurpassable mysteries of the Catholic Faith The Catena Aurea compiled by one of the Catholic Church's greatest minds is of immeasurable use to priests writing homilies lay people engaged in private or family study or of the Gospels and religious instructors will find it an invaluable help in preparing lessons It is the perfect companion to study the Scriptures in detail and receive the wisdom of St Thomas on particular passages Consider the Catena Aurea as a discussion of the Gospels among the supreme theologians of the Church Their exegesis is astonishing A worthy recommendation for the serious student of the Bible is a copy of the only work that Aquinas was known to carry around with him This is the first time in more than 150 years that the English translation of the Catena Aurea has been entirely re typeset meaning that the text is crisp clear and easy to read unlike many facsimile editions

**St. Thomas Aquinas on the two commandments of charity and the ten commandments of the law, tr. by father Rawes** Thomas Aquinas (st.),1880 **Thomas Aquinas** Nicholas Healy,2021-11-18 The work of Thomas Aquinas 1224-1275 has become increasingly influential in recent doctrinal theology and theological ethics aside from his extraordinary historical significance Thomas has been read ever since his death today as much as ever What is it that distinguishes his work and can his theological judgments and proposals still be brought to bear in contemporary theological inquiry This book presents a new study of Thomas Aquinas focusing on the evangelical pastoral and theocentric character of his premodern theology Healy presents Thomas as first and foremost a theologian of the Christian life who when he used philosophical concepts did so in order to fulfill the task of theology which he conceived as an ecclesial discipline dedicated above all to helping Christians follow Jesus Christ Thomas's interpretation of Scripture and his theological method his Trinitarian ontology his Christology and his Christological anthropology conception of the church and sacramental theology are all examined from this perspective The richness and complexity yet profound simplicity of the Christian way of life Thomas reveals is shown to make a valuable contribution to the thought of contemporary readers and the significance of Thomas's writings for contemporary theological questions and concerns is revealed **God, Passion and Power** Mark-Robin Hoogland,2003 The reality of suffering in today's world in our personal

lives is for many especially Western Christians an obstacle for entering into a relationship of faith with the One who bears the name Almighty Touched by this crisis the author inquires whether the theology of Thomas Aquinas 1224-5-1274 can help us find a way out In this book some distance is taken from the crisis itself in order to take a closer look at our faith regarding Christ's sufferings and how God almighty is related to these nexus mysteriorum For what is more obvious for a Christian thinking about suffering and God's relation to it to start with the consideration of the sufferings of Christ and how God is related to them Questions like Did and or does God suffer too How are we to understand God is love 1 Jn 4:8-16 in view of this and What do Christians actually mean by the word almighty are dealt with Thomas questions and associations may often not be ours And yet it turns out that his approach opens up new or rather almost forgotten and therefore to us surprising and hopeful perspectives Mark Robin Hoogland C P 1969 is a Passionist priest At the time of preparation for this dissertation he lived and worked in the Passionist Inner City Mission at East End London U K and he was active in youth work there and in The Hague the Netherlands While he was a research fellow at the Catholic Theological University KTU at Utrecht he also worked for three years at Mesos Medical Centre at Utrecht as a hospital chaplain and after that in several parishes where for a shorter or longer time no priest was available At present he is preparing a study on Thomas Aquinas regarding God and human suffering in the context of Staus International a Passionist Institute The Summa Contra Gentiles of Saint Thomas Aquinas Saint Thomas (Aquinas), 1929 **Commentary on the Gospel of Matthew 1-12** Thomas Aquinas, 2013 Thomas Aquinas verse by verse commentary on the Gospel of Matthew is presented here in a parallel Latin English format with the text of the Gospel of Matthew included at the beginning of each lecture in Latin English and Greek *Christ the 'name' of God* Henk J. M. Schoot, 1993 Peeters 1993 **The Order and Division of Divine Truth: St. Thomas Aquinas as Scholastic Master of the Sacred Page** John F. Boyle, 2022-01-12 St Thomas Aquinas is best known for his Summa Theologiae and is regarded as the great exemplar of systematic theology Yet St Thomas himself might be surprised at this legacy He may well have saw himself principally as a commentator and teacher of Sacred Scripture When it comes to engaging St Thomas scriptural work readers are at a significant disadvantage They are arguably more foreign and more dense than his Summa yet have been scarcely studied This book by one of the foremost experts on St Thomas use of Scripture is a significant and much needed contribution In The Order and Division of Divine Truth St Thomas Aquinas as Scholastic Master of the Sacred Page John Boyle opens up the riches of St Thomas as a master of the Sacred page Readers will find explorations not just of the style of Aquinas commentaries which differs from that of the modern biblical commentary but also the overarching theological and methodological perspective that shapes his approach to Scripture Boyle gives insight into how Aquinas would have understood the task of biblical commentary as a university lecturer how Scripture is ordered to divine revelation how medieval masters divided up the text and how Aquinas biblical commentaries relate to his theological summaries This book will be important for anyone seeking to better understand St Thomas theology and the often

overlooked role that Scripture plays in his work

Ignite the flame of optimism with is motivational masterpiece, **Aquinas On Scripture** . In a downloadable PDF format ( Download in PDF: \*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

## Aquinas On Scripture Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Aquinas On Scripture free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Aquinas On Scripture free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Aquinas On Scripture free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Aquinas On Scripture. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious

and verify the legality of the source before downloading Aquinas On Scripture any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Aquinas On Scripture Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Aquinas On Scripture is one of the best book in our library for free trial. We provide copy of Aquinas On Scripture in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Aquinas On Scripture. Where to download Aquinas On Scripture online for free? Are you looking for Aquinas On Scripture PDF? This is definitely going to save you time and cash in something you should think about.
