Battle Stalin Lost:

The Battle Stalin Lost Vladimir Dedijer, 1971 The Making of a Radical Immigrant Ivana Caccia, 2025-10-31 The radical immigrant in the title of this book Edo Jardas was a young Croatian who arrived in Canada in May 1926 and worked for several years as a lumberjack in the hinterland of British Columbia He was a loyal member of the Communist Party of Canada a newspaper editor and a militant trade union activist in the Canadian Croatian community He fought in the Spanish Civil War in 1937 and returned to Canada as a war veteran Jardas left Canada for Yugoslavia in 1948 where he assumed several prominent political functions including the post of mayor of the largest harbour in the country his hometown of Rijeka from 1952 to 1955 Rather than being a simple biography this book describes the circumstances that shaped the Croatian immigrant community in the hostile social and natural environment of Canada The community was deeply engaged in the political debates concerning the Croatian status in the Kingdom of Serbs Croats and Slovenes later renamed as Yugoslavia since its foundation in 1919 The question of national identity and its affirmation at home and in the diaspora therefore figured pre eminently in the Croatian immigrant press The book is also very much a study in Canadian history It is an account of the political radicalization of the Canadian working class inspired by the international communist movement at a time of major economic and political upheaval in the post WWI decades Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1973 "*A New Kind of War*" Howard Jones, 1997 In the aftermath of World War II civil war erupted in Greece between Western orientated government forces and Communist rebels The Truman administration subsequently became heavily involved in the internal conflict including the establishment of an American military presence on Greek soil and regular arms shipments This early containment policy focusing on Greece as a crucial outpost in the Mediterranean arena was symbolic of America s Commitment to Free World Principles and her fear that the Soviet s ultimate goal was world domination This text explores the issues surrounding these events *Power And Persuasion* Carol S Lilly, 2018-02-13 When the Communist Party of Yugoslavia CPY took power after the Second World War it had a vision for a new and better society in which all humans would live together in peace and prosperity and in which their mutual exploitation would be eliminated That vision required changes not only in the country s political and economic structure but in its citizen s values morals goals aesthetics and social behavior Based on extensive archival research Lilly s study describes the CPY s struggle to realize that social and cultural transformation by means of oral written and visual persuasion in the first nine years after the war Lilly s descriptions of party policies in such media as newspapers journals educational curricula group activities like parades workplace competitions and volunteer labor brigades and the production of both high and popular culture depict the evolving form and content of the party s persuasive rhetoric Her archival work moreover reveals both societal reaction to such rhetoric and the extent to which party leaders adapted their persuasive policies in response to feedback from below In this respect Lilly places her work at the intersection of cultural history

cultural studies and politics by discussing how individuals and different groups perceive, digest and remake culture from above in their own image. Ultimately, then, this study not only modifies current understandings of Yugoslavia's postwar history but informs us about the nature of state-society relations in dictatorial regimes and the complexities of cultural change. Moving beyond an interpretation of Yugoslavia's political and cultural history in the 1940s, it addresses broader questions like: How do dictatorial regimes maintain power and support? How do subject populations express their views and exert influence even under oppressive conditions? When and how does persuasive rhetoric work and what are its limits? *Conflict Quarterly*, 1982

The Battle of Kursk David M. Glantz, Jonathan M. House, 1999 A study of the Battle of Kursk at Prokhorovka, one of the largest tank engagements in world history which led to staggering losses including nearly 200,000 Soviet and 50,000 German casualties within the first ten days of fighting. Drawing on both German and Soviet sources, David M. Glantz and Jonathan M. House seek to separate myth from fact to show what really happened at Kursk and how it affected the outcome of World War II. Their access to Soviet archive material adds detail to what is known about this conflict, enabling them to reconstruct events from both perspectives and describe combat down to the tactical level. *Commonweal*, 1930

The Battle for Leningrad David M. Glantz, 2002 Based on an unparalleled access to Russian archival sources and going far beyond the military aspects of other historical works, Glantz's book is a testament to the nearly two million Russians who lost their lives during the battle for Leningrad. 90 illustrations, 16 maps. *National Library Service Cumulative Book Review Index, 1905-1974: Authors. Rubinstein, 1997 Provides an introduction to the major developments that have characterized the foreign policy of Russia during the Tsarist, Soviet and post-Soviet periods. Addresses the long-term historical continuities in Russian foreign policy both as they undermined the status quo at the end of the Soviet era and as they now condition Russia's search for a new definition of the national interest.

Britain, the Cold War and Yugoslav Unity, 1941-1949 Ann Lane, 1996 This book sets out to examine the policy of the British Foreign Office towards Yugoslavia and the Tito Government during this important period. Pivotal to this policy was the relationship between Yugoslavia and the Soviet Union and its effects on Soviet-Western relations in general. Foreign Office policy towards Yugoslavia is also explored in the context of Anglo-Yugoslav relations and the degree to which Britain's need for American financial support as well as American commitment to the reconstruction of Western Europe limited Britain's freedom of action.

Dawning of the Cold War Randall B. Woods, Howard Jones, 1994-02-01 This highly praised account of the origins of the Cold War is quite simply the best comprehensive history available. Combining a lively narrative with evenhanded analysis, Woods and Jones draw on a vast amount of Cold War scholarship to examine the issues and forces that shaped the East-West confrontation in the years after

World War II From the Yalta Conference to Churchill's Iron Curtain speech from the Truman Doctrine to the Marshall Plan from the formation of NATO to the Berlin blockade the authors appraise the atomic and economic diplomacy of the Cold War and provide an invaluable guide to one of this century's most important historical events The most satisfactory narrative history we now have of how the Cold War came about in Europe John Lewis Gaddis American Historical Review Balanced and up to date a clearly written and carefully argued history of the origins of the Cold War the best yet in print Robert A Divine University of Texas Solidly researched clearly written perhaps the best guide to the Cold War yet to appear in print Betty Miller Unterberger Political Science Quarterly World Outlook ,1993 **History in Dispute** Dennis E.
