Most probably the readers of this magazine have never heard of the original TRACKS I was in the very same situation until by the end of 2020 when NZ LRDG historian Brendan OCarroll has provided me with a hardly readable copy of the June 1941 issue of TRACKS I was immediately fascinated by these windows into the past and just thought We should revive TRACKS
The editor of the original Tracks was that time 20 years old TA Sgt N A Moore a clerk attached to LRDG Group HQ The June 1941 issue was created by him when the LRDG HQ was located at Kufra There he got the idea to create a house paper for the unit He recalled in a letter which was published in the 1991 Newsletter of the LRDG Association that there were only a very limited number of people who were willing to contribute and that this first edition was mainly launched thanks to the contribution of Lieut Col Bagnold and Captain Kennedy Shaw And indeed the June 1941 remained the single and only issue of Tracks it was never published again until today
