Apprentice In Terror:

Apprentice in Terror Paulette Warren, 1976 The Terrorist Factory Father Patrick Desbois, Nastasie Costel, 2018-07-03 A riveting behind the scenes look of the Yazidi genocide and the terrorist threat it holds for the West based on the investigation by Father Patrick Desbois Costel Nastasie and their team at Yahad In Unum as first shown on 60 Minutes With testimony drawn from more than 200 interviews with Yazidi survivors girls women boys and men recorded during 11 investigative trips to refugee camps in Iraqi Kurdistan If you read only one book on this subject it should be this one Lara Logan 60 Minutes The massacre of the Yazidi people by ISIS was nothing less than genocide In refugee camps in Iraqi Kurdistan the authors brought a skilled team to interview more than a hundred ISIS survivors and document what they experienced and saw These former slaves observed their torturers and know from the inside the secret facilities that ISIS has kept hidden from the world What their testimony reveals is an organization whose ambition is power regardless of their claim to be soldiers of God Their fighters are paid with sex money and the power of life and death over captives Their promised paradise is here and now not after death Men who didn't swear allegiance were executed Women became slaves for sex or reproduction and their offspring may still serve the cause In mobile training camps the captured children were drugged indoctrinated and taught to shoot Kalashnikovs plant explosives and handle suicide vests They are the intended products of the terrorist factory In this taut disturbing account the authors document a utilitarian genocide that still holds an implicit threat to other counties including those in the West
