A Transparent Illusion:

A Transparent Illusion C.R.A. Morray-Jones, 2021-10-11 In Jewish hekhalot mysticism one who ascends to the heavenly temple may see something which looks like but is not water Should he be deceived by this illusion he betrays his unworthiness and exposes himself to retribution Detailed examination of the water vision discovers that its real object is the celestial pavement separating the fiery divine realm from the watery world of impure organic matter This pavement is Ezekiel's firmament of hashmal a luminous crystalline substance seen by the visionary from above Further investigation finds that the water vision continues an ancient tradition of exegesis of Ezekiel 1 as an account of a heavenly ascent in which water signifies materiality femininity and impurity The wide and profound influence of these ideas is encountered in a variety of Jewish Christian and Gnostic sources

The Art of Abduction Igor Douven, 2022-11-08 A novel defense of abduction one of the main forms of nondeductive reasoning With this book Igor Douven offers the first comprehensive defense of abduction a form of nondeductive reasoning Abductive reasoning which is guided by explanatory considerations has been under normative pressure since the advent of Bayesian approaches to rationality Douven argues that although it deviates from Bayesian tenets abduction is nonetheless rational Drawing on scientific results in particular those from reasoning research and using computer simulations Douven addresses the main critiques of abduction He shows that versions of abduction can perform better than the currently popular Bayesian approaches and can even do the sort of heavy lifting that philosophers have hoped it would do Douven examines abduction in detail comparing it to other modes of inference explaining its historical roots discussing various definitions of abduction given in the philosophical literature and addressing the problem of underdetermination He looks at reasoning research that investigates how judgments of explanation quality affect people's beliefs and especially their changes of belief He considers the two main objections to abduction the dynamic Dutch book argument and the inaccuracy minimization argument and then gives abduction a positive grounding using agent based models to show the superiority of abduction in some contexts Finally he puts abduction to work in a well known underdetermination argument the argument for skepticism regarding the external world

Optical Illusions of Reversible Perspective John Edward Wallace Wallin, 1905

The Mystery of God: Early Jewish Mysticism and the New Testament Christopher Rowland, C.R.A. Morray-Jones, 2009-06-17 This book brings together the perspectives of apocalypticism and early Jewish mysticism to illuminate aspects of New Testament theology The first part begins with a consideration of the mystical character of apocalypticism and then uses the Book of Revelation and the development of views about the heavenly mediator figure of Enoch to explore the importance of apocalypticism in the Gospels and Acts the Pauline Letters and finally the key theological themes in the later books of the New Testament The second and third parts explore the character of early Jewish mysticism by taking important themes in the early Jewish mystical texts such as the Temple and the Divine Body to demonstrate the relevance of this material to New Testament interpretation

Yahoel and Metatron Andrei

A. Orlov, 2017-08-17 In this work Andrei A Orlov examines the apocalyptic profile of the angel Yahoel as the mediator of the divine Name demonstrating its formative influence not only on rabbinic and Hekhalot beliefs concerning the supreme angel Metatron but also on the unique aural ideology of early Jewish mystical accounts Back of dust jacket *Hekhalot Literature in Translation* James Davila, 2013-06-13 The Hekhalot literature is a motley collection of textually fluid and often textually corrupt documents in Hebrew and Aramaic which deal with mystical themes pertaining especially to God's throne chariot the Merkavah They were composed between late antiquity and the early Middle Ages with roots in earlier traditions and a long and complex subsequent history of transmission This volume presents English translations of eclectic critical texts with a full apparatus of variants of most of the major Hekhalot documents Hekhalot Rabbati Sar Torah Hekhalot Zutarti Ma'aseh Merkavah Merkavah Rabba briefer macroforms The Chapter of R Nehuniah ben HaQanah The Great Seal Fearsome Crown Sar Panim The Ascent of Elijah ben Avuyah and The Youth and the Hekhalot fragments from the Cairo Geniza The Writings of John Burroughs John Burroughs, 1921 Wisdom Poured Out Like Water J. Harold Ellens, Isaac W. Oliver, Jason von Ehrenkrook, James Waddell, Jason M. Zurawski, 2018-10-22 This collection presents innovative research by scholars from across the globe in celebration of Gabriele Boccaccini's sixtieth birthday and to honor his contribution to the study of early Judaism and Christianity In harmony with Boccaccini's determination to promote the study of Second Temple Judaism in its own right this volume includes studies on various issues raised in early Jewish apocalyptic literature e.g. 1 Enoch 2 Baruch 4 Ezra the Dead Sea Scrolls and other early Jewish texts from Tobit to Ben Sira to Philo and beyond The volume also provides several investigations on early Christianity in intimate conversation with its Jewish sources consistent with Boccaccini's efforts to transcend confessional and disciplinary divisions by situating the origins of Christianity firmly within Second Temple Judaism Finally the volume includes essays that look at Jewish Christian relations in the centuries following the Second Temple period a harvest of Boccaccini's labor to rethink the relationship between Judaism and Christianity in light of their shared yet contested heritage The Canadian Patent Office Record and Register of Copyrights and Trade Marks, 1927 **The Complete Nature Writings of John Burroughs** John Burroughs, 1914 **Scientific Canadian Mechanics' Magazine and Patent Office Record** Canada.
