Story time at the public library is the first exposure to books outside the home for many preschool children. For the librarian, it is an exciting opportunity to instill in youngsters a love of reading and books. But coming up with new ideas that hold the children's attention can be trying. Until now. Here are 55 tried and true story hour programs with a thematic approach. All are highly flexible and adaptable across the full preschool age range. Most of the ideas are arranged under one of eight specific themes that include four to eight one-hour programs: barnyard animals, the Caldecott Medal, colors, families, a storytelling feast, the five senses, reptiles and amphibians, and around the world. There are also 18 individual holiday and seasonal programs. All story hours provide ideas for name tags, suggested audiovisual materials, recommended story, poetry, and song selections, additional titles, and a full description of the activity.
