## **A Western Quaker Reader:**

A Western Quaker Reader Anthony Manousos,2000-09      A Western Quaker Reader Anthony Manousos,2000      The Quaker Reader Jessamyn West,2000      The Quaker Reader Jessamyn West,1992 Provides insights into the Quaker faith through an anthology of extracts from the writings of members of the Religious Society of Friends composed between 1650 and 1962      **The Quakers in America** Thomas D. Hamm,2003 The Quakers in America is a multifaceted history of the Religious Society of Friends and a fascinating study of its culture and controversies today Lively vignettes of Conservative Evangelical Friends General Conference and Friends United meetings illuminate basic Quaker theology and reflect the group's diversity while also highlighting the fundamental unity within the religion Quaker culture encompasses a rich tradition of practice even as believers continue to debate whether Quakerism is necessarily Christian where religious authority should reside how one transmits faith to children and how gender and sexuality shape religious belief and behavior Praised for its rich insight and wide ranging perspective The Quakers in America is a penetrating account of an influential vibrant and often misunderstood religious sect Known best for their long standing commitment to social activism pacifism fair treatment for Native Americans and equality for women the Quakers have influenced American thought and society far out of proportion to their relatively small numbers Whether in the foreign policy arena the American Friends Service Committee in education the Friends schools or in the arts prominent Quakers profiled in this book include James Turrell Bonnie Raitt and James Michener Quakers have left a lasting imprint on American life This multifaceted book is a concise history of the Religious Society of Friends an introduction to its beliefs and practices and a vivid picture of the culture and controversies of the Friends today The book opens with lively vignettes of Conservative Evangelical Friends General Conference and Friends United meetings that illuminate basic Quaker concepts and theology and reflect the group's diversity in the wake of the sectarian splintering of the nineteenth century Yet the book also examines commonalities among American Friends that demonstrate a fundamental unity within the religion their commitments to worship the ministry of all believers decision making based on seeking spiritual consensus rather than voting a simple lifestyle and education Thomas Hamm shows that Quaker culture encompasses a rich tradition of practice even as believers continue to debate a number of central questions Is Quakerism necessarily Christian Where should religious authority reside Is the self sacred How does one transmit faith to children How do gender and sexuality shape religious belief and behavior Hamm's analysis of these debates reveals a vital religion that prizes both unity and diversity      *The Morality of Self-Defense and Military Action* David B. Kopel,2017-02-16 Shedding new light on a controversial and intriguing issue this book will reshape the debate on how the Judeo Christian tradition views the morality of personal and national self defense Are self defense national warfare and revolts against tyranny holy duties or violations of God's will Pacifists insist these actions are the latter forbidden by Judeo Christian morality This book maintains that the pacifists are wrong To make his case the author analyzes the full sweep of Judeo

Christian history from earliest times to the present combining history scriptural analysis and philosophy to describe the changes and continuity of Jewish and Christian doctrine about the use of lethal force He reveals the shifting patterns of thought in both religions and presents the strongest arguments on both sides of the issue The book begins with the ancient Hebrews and Genesis and covers Jewish history through the Holocaust and beyond The analysis then shifts to the story of Christianity from its origins through the Middle Ages and the Reformation up the present day Based on this scrutiny the author concludes that contrary to popular belief the legitimacy of self defense is strongly supported by Judeo Christian scripture and commentary by philosophical analysis and by the respect for human dignity and human rights on which both Judaism and Christianity are based The Sprague Classic Readers Sarah E. Sprague,1904 Western Mysticism ,1978 The study of human consciousness and its relationship to our lives and needs has aroused a great deal of interest in today's world This interest extends into many areas of religion philosophy psychology sociology and literature Part of this trend is a renewed interest in mysticism most of which has been directed toward Oriental mysticism However many people are unaware of the rich and vital mystical tradition Western culture has to offer The purpose of this bibliography is to help create a deeper awareness of Western mysticism From the preface Quaker History ,2003 Country Guide and Nor'west Farmer ,1928 North-western Christian Advocate ,1898 Readers' Guide to Periodical Literature Anna Lorraine Guthrie,1929 An author subject index to selected general interest periodicals of reference value in libraries **Arnold's geography readers** Matthew Thompson Yates,1893 **Nor-west Farmer for the Stock-raiser, the Gardener, Etc** ,1930 **A Handy Book of Reference on All Subjects and for All Readers with about Two Thousand Pictorial Illustrations, a Complete Atlas of Sixty-four Colored Maps, and One Hundred Maps in the Text ...** Ainsworth Rand Spofford,1895 **The Lincoln Readers** Isobel Davidson,1923 Electrical Review and Western Electrician with which is Consolidated Electrocraft ,1912 **Quaker Life** ,2003 **The Western Christian Advocate** ,1903 **Jessamyn West** Alfred S.
