A Winters Reckoning:

Winter's Reckoning Adele Holmes, 2022-08-09 William Faulkner Literary Competition Honorable Mention Forty six year old Madeline Fairbanks has no use for ideas like separation of the races or men as the superior sex There are many in her dying Southern Appalachian town who are upset by her socially progressive views but for years partly due to her late husband s still powerful influence and partly due to her skill as a healer in a remote town with no doctor of its own folks have been willing to turn a blind eye to her transgressions Even Maddie s decision to take on a Black apprentice Ren Morgan goes largely unchallenged by her white neighbors though it s certainly grumbled about But when a charismatic and power hungry new reverend blows into town in 1917 and begins to preach about the importance of racial segregation the long idle local KKK chapter fires back into action and places Maddie and her friends in Jamesville s Black community squarely in their sights Maddie had better stop intermingling with Black folks discontinue her herbalistic witchcraft and leave town immediately they threaten or they ll lynch Ren s father Daniel Faced with this decision Maddie is terrified and torn Will she bow to their demands and walk away or will she fight to keep the home she s built in Jamesville and protect the future of the people she loves both Black and white

A Winter's Reckoning Ellen Bromfield Geld, 1976-01-01 **A Winter's Reckoning** Kade Dutton, 2025-04-25 Winter comes hard in Midland Texas The wind never stops The sky hangs low and gray And now something cold has settled into the town something far worse than the weather The first body is discovered in a patch of dead mesquite arranged with unsettling care There are signs of a struggle violent desperate but the final pose is calm almost theatrical A corpse meant to be seen Sheriff Roger Hartley has seen his share of death but this feels different Calculated Intentional When a second body appears just as carefully staged he knows it s no coincidence Someone is building something A pattern A narrative And they re using corpses to write it With Deputy Liz Trujillo at his side Roger begins to unravel a web of secrets the town has quietly buried for years But the deeper they dig the more disturbing the truth becomes The victims aren t random The killer isn t distant And the past isn t done with any of them This isn t just a hunt for a killer It s a descent into the town s forgotten sins into the things Roger and Liz were never meant to uncover And as the pattern sharpens and the bodies mount one thing becomes clear The final scene has already been set And they re standing in the middle of it
