## **Christian Programme:**

**The Christian Programme** Joseph Pathrapankal, 2005-05-16 What does it mean to be a Christian in our times in a world come of age where Christians all over the world have to face the challenge posed by religious pluralism and secular humanism and even the challenge of a so called religionless Christianity in a postmodern era Answers to this question can be varied and all of them point to something more crucial and radical This basic question is to be approached from an equally radical answer given by Jesus of Nazareth in the Sermon on the Mount Matt 5 1 7 29 wherein we get the blueprint of an authentic programme of life for all humans The theological and pastoral study of this major discourse of Jesus highlights the parameters of a responsible and committed life

**Handbook of Theological Education in World Christianity** Dietrich Werner, David Esterline, Namsoon Kang, Joshva Raja, 2010-11-19 The Handbook of Theological Education in World Christianity is the first attempt to map and analyze developments in theological education on a global scale This volume with contributions from 98 leaders in theological education from around the world provides a comprehensive introduction to the major themes and contexts in the international discourse on theological education surveys of the issues and challenges faced in different regions and introductory essays on the developments in the major denominational families in World Christianity

The editors are Dietrich Werner World Council of Churches Geneva David Esterline McCormick Theological Seminary Chicago Namsoon Kang Brite Divinity School Fort Worth and Joshva Raja Queen s Foundation Birmingham The Programme of Christianity Henry Drummond, 1892 **The Christian Priest Today** Arthur Michael Ramsey, 2020-05-21 Michael Ramsay s profound simplicity leaps off the page The Christian Priest Today can be read with great and lasting benefit by anyone interested in this strange and magnificent vocation John Pritchard author of The Life and Work of a Priest Of all Michael Ramsey s many books The Christian Priest Today is perhaps the best loved and most enduring The main part of the volume is composed of charges to ordination candidates with an emphasis on the intellectual and devotional life of the minister in an increasingly self sufficient world Later chapters reflect on the ministry of the laity the theology of priesthood and the roles of bishop and presbyter in the context of the practical meaning of divine vocation Christian China, 1920

**Record of Christian Work** Alexander McConnell, William Revell Moody, Arthur Percy Fitt, 1918 Includes music *The Christian Method of Ethics* Henry William Clark, 1908 *The Christian Union Quarterly*, 1918 **Studies in Christian Character, Work, and Experience** William Lonsdale Watkinson, 1903 **Radio, Public Life and Citizen Deliberation in South Africa** Sarah Chiumbu, Gilbert Motsaathebe, 2021-05-24 This book critically analyses the important role of radio in public life in post apartheid South Africa As the most widespread and popular form of communication in the country radio occupies an essential space in the deliberation and the construction of public opinion in South Africa From just a few state controlled stations during the apartheid era there are now more than 100 radio stations reaching vast swathes of the population and providing an important space for citizens to air their views and take part in significant socio economic and

political issues of the country The various contributors to this book demonstrate that whilst print and television media often serve elite interests and audiences the low cost and flexibility of radio has helped it to create a common space for national dialogue and deliberation The book also investigates the ways in which digital technologies have enhanced the consumption of radio and produced a sense of imagined community for citizens including those in marginalised communities and rural areas This book will be of interest to researchers with an interest in media politics and culture in South Africa specifically as well as those with an interest in broadcast media more generally
