

CHRISTIAN SCIENCE

By Mark Twain

Illustrated

THIS book is the result of years of careful investigation of Mrs. Eddy's cult and writings and of the church which she has founded. It is an earnest effort to answer impartially those questions which the public generally have been asking about Christian Science. And while it must be ranked as the most serious and extended criticism of the subject that has yet been made, it is not without frequent tinges of humor which make it, while instructive, also deeply entertaining.
