Before You Study Theology Donald G. Luck, 2022-07-07 Donald Luck has spelled out an introduction to theology that is as engaging in its clarity as it is solid in its content In giving a lucid and broad review of how the nature and method of theology is understood in the Christian community he balances description with evaluation but in such a way that he does not dictate or prescribe Although he is careful to lay out the clear sometimes stark differences in the way Christians understand the task of interpreting the Bible he himself seeks a middle mediating way Luck insists that theologians must be able to show that the experience of Christian faith must be both practical and reasonable Paul F Knitter Xavier University Donald Luck thoughtfully confronts the articulated resistance of undergraduates seminarians and adult lay Christians to the disciplined study of theology Responding to their most common objections one by one Luck practices good pedagogy and systematically builds a persuasive case for studying theology on the grounds that the discipline exemplifies loving God with all one's mind He succeeds in the end in making it difficult if not impossible for students to resist his invitation to reflect critically and constructively on Christian faith Paula M Coe

Macalester College *Understanding Prayer for the Dead* James B. Gould, 2016-08-04 Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory though not for the deliverance of the unsaved from hell This book defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the center of God's purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned **Learning to Love Ourselves** Richard Peace, 2015-04-28 Improper self love leads to a lifestyle that is selfish and self destructive But failing to love yourself adequately is also self destructive Without proper self esteem people fail to use their God given gifts and have difficulty loving others Jesus calls us to walk the narrow road between selfishness and selflessness This study will help you do so You will learn how to study the Bible as you examine and discuss topics such as Loving Ourselves Valuing Ourselves Understanding Ourselves Behaving Ourselves Forgiveness for Ourselves Growing Ourselves Being Ourselves Each chapter has three main sections Group Study materials for a sixty to ninety minute small group Bible study Study Resources notes and comments for use in both group and personal study Personal Study a series of reflection questions for use by group members on their own during the week Extra help is available at the end of the book in the sections The Art of Leadership tips on how to lead a small group and Small Group Leader's Guide notes on each session The goal of PILGRIMAGE GUIDES is to understand what it means for us to meet and know Jesus Through an examination of the spiritual disciplines of Bible study prayer and worship we experience what it means to be a spiritual pilgrim walking in a new way with God And we look at how this new way changes the way we view others and live our lives in Christ PILGRIMAGE GUIDES Learning to Love God Learning to Love Ourselves Learning to Love Others Principios y Practicas de la Educacion Cristiana Robert W.
