The Desecularisation of the City David Goodhew, Anthony-Paul Cooper, 2018-09-21 Major cities have long been seen as centres of secularisation However the number of congregations in London grew by 50% between 1979 and the present London s churches have been characterised more by growth than by decline in the decades since 1980 The Desecularisation of the City provides the first academic survey of churches in London over recent decades linking them to similar developments in other major cities across the West Produced by a large team of scholars from a range of disciplines this volume offers a striking and original portrait of congregational life in London since 1980 Seventeen chapters explore the diverse localities ethnicities and denominations that make up the church in contemporary London The vitality of London s churches in the last four decades shows that secularisation is far from inevitable in the cities of the future This study necessitates a significant reassessment of the dominant academic portrayal of Christianity in Britain and the West which has mostly depicted cities as secular spaces within a secularising culture It will be of great interest to scholars working across a wide range of disciplines including history sociology religious studies and theology *Christian Growth* Felix

Immanuel, 2016-09-28 *Christian Growth* is a collection of 16 articles of various topics that every true Christian must know and understand from the Bible in order to grow in righteousness and holiness to be sinless and undefiled before God when the Jesus Christ comes back Each chapter is organized into an individual article Read and be blessed *Christian Growth* Mark Lee Sundy, 2020-03 You have given your life to Christ That s great but what do you do next How does a person grow as a Christian How does a person reach Christian maturity This book answers these questions and more This book is written for all those who want to grow spiritually including those in prison and those in underground churches in countries where Christians are persecuted Five Steps of Christian Growth , 1976 **You can really grow** John Hindley, 2015-02-27 The Christian life can be about thriving not merely surviving Discover what Christian growth actually is and how to enjoy it God

Focus Jay Mccaig,2017-06-08 One of the greatest problems Christians face today is where to focus their time and energy Many Christians jump from one cause or program to another never quite feeling fulfilled or satisfied in their Christian life In the book FOCUS Pastor Jay McCaig leads us through five areas of spiritual growth that every Christian and church must understand if they are ever going to turn the world upside down for Christ Freedom As Christians we have a level of freedom that is beyond anything that any government or institution can provide Are you living in bondage or living in the freedom given by Jesus Christ Do you have the abundant life God promised in His Word Others The Christian life was always meant to be a life of giving and helping others Where do we start How far can we go The Cross Everything changed on that simple wooden cross of Calvary Learn how the events of more than 2000 years ago still impact the world today and how those events can directly change you Understanding God desires not only to know you but also for you to know Him Learn how he reveals himself to you today and how you can personally know and understand your creator Salvation Why did Jesus come to Earth Would a good and loving God ever send someone to Hell Can we lose our salvation In the pages of FOCUS you will find a better understanding of and gain confidence in all five of these critical areas of your Christian life
