## **Christian Perspective On Political Thought:**

**A Christian Perspective on Political Thought** Stephen Charles Mott, 1993 The author seeks to advance the role of biblical and theological values in the political lives of individual Christians and the public discourse of American society He argues that Americans want to make choices in terms of standards of right and wrong but tend to lack the formulation of a theory

**A Christian Perspective on Political Thought** Stephen Charles Mott, 1993-05-27 Arguing that Americans make political choices in terms of a general notion of right and wrong yet lack a sound objective foundation for such values evangelical scholar Stephen Mott formulates a Christian political theory that supplies such norms Drawing on theological and biblical sources Mott thoroughly develops the biblical and theological foundations for politics and political evaluation Mott proposes that political philosophies should be evaluated in light of Christian theological and ethical values specifically the understanding of power human nature the nature of group life justice and love government and time He then applies this critical framework in an evaluation of political ideologies including traditional conservatism liberalism democracy laissez faire conservatism Marxist socialism and democratic socialism He gives special attention to their classical exponents and ideas Asserting that political visions ultimately depend on cultural values that themselves require vigorous religious faith in a particular society Mott's study offers a valuable introduction to Christian political thought as well as an illuminating look at the connection between politics and religion

**Five Views on the Church and Politics** J. Brian Benestad, Robert Benne, Bruce Fields, Thomas W. Heilke, James K.A. Smith, 2015-12-15 Learn to think deeply about the relationship between church and state in a way that goes beyond mere policy debates and current campaigns Few topics can grab headlines and stir passions quite like politics especially when the church is involved Considering the attention that many Christian parachurch groups churches and individual believers give to politics and of the varying and sometimes divergent political ideals and aims among them Five Views on the Church and Politics provides a helpful breakdown of the possible Christian approaches to political involvement General Editor Amy Black brings together five top notch political theologians in the book each representing one of the five key political traditions within Christianity Anabaptist Separationist the most limited possible Christian involvement in politics represented by Thomas Heilke Lutheran Paradoxical strong separation of church and state represented by Robert Benne Black Church Prophetic the church's mission is to be a voice for communal reform represented by Bruce Fields Reformed Transformationist emphasizes God's sovereignty over all things including churches and governments represented by James K A Smith Catholic Synthetic encouragement of political participation as a means to further the common good of all people represented by J Brian Benestad Each author addresses his tradition's theological distinctives the role of government the place of individual Christian participation in government and politics and how churches should or should not address political questions Responses by each contributor to opposing views will highlight key areas of difference and disagreement Thorough and even handed Five Views on the Church and Politics will enable readers to consider the strengths and

weaknesses of the most significant Christian views on political engagement and to draw their own informed conclusions

*Christian Perspectives on Politics* J. Philip Wogaman, 2000-01-01 Minister Wogaman updates his comprehensive discussions on the meaning and importance of politics the history of Christian political thought and church state relations the legislation of social morality and criminal justice issues *Perspectives on Political Philosophy: Thucydides through Machiavelli* James V. Downton, David K. Hart, 1971 Vol 3 has imprint Dryden Press Hinsdale Ill [A New Engagement](#) Robert Booth Fowler, 1982 **Faith in Politics?** Richard Harries, 2010 In Faith in Politics the former Bishop of Oxford Richard Harries addresses our concerns by re examining the roots of our political values He considers the various strands of thought that have had a bearing on political philosophy over time such as utilitarianism and liberalism and how each contribute to contemporary views of the good society He argues strongly that a Christian perspective has a distinct part to play in the shaping of our life together and that rediscovering this perspective can help towards building a better society **Political Thought in America** Philip Abbott, 1999 *Christians as Political Animals* Marc D. Guerra, 2010 An insightful look at faith reason and the limits of modern liberty While it is common for today s secularists to push organized religion to the margins of politics it is equally common for Christians to believe that modern democracy is the only type of regime compatible with their faith But in fact this belief cannot be squared with the long and rich tradition of Christian political thought as Marc D Guerra makes clear in *Christians as Political Animals* Guerra shows that a problematic shift occurred when Christian thinkers began to argue that their religion received its best political articulation in democracy Calling on thinkers ranging from Augustine and Aquinas to twentieth century theologians and political philosophers Guerra argues that while modern democracy and its various attendant goods should be affirmed Christian thought must recognize the limited scope of the political realm and maintain the proper critical distance *Christians as Political Animals* reminds modern democracy of a truth it is prone to forget civil society relies on extrapolitical goods such as love friendship morality and faith for its health and survival

**History of Political Thought**, 2005 **The Social & Political Ideas of Some Representative Thinkers of the Victorian Age** Fossey John Cobb Hearnshaw, 1930 **Political Philosophy and Ideology** Hugh P. McDonald, 1997 This book is a critique of political essentialism the doctrine that states that there is a single nature and destiny for human kind and that an elite is indispensable for bringing this about through political action A systematic value philosophy is contrasted with ideological politics which includes novel theories of justice freedom equality and their relation This book argues against Marxist accounts of social changes and that the cause of modern revolutions and their aftermath is ideology and not economic factors Ideology is articulated by political intellectuals who direct political movements It also argues against ideologically based political thought *The Political Philosophy of James Madison* Garrett Ward Sheldon, 2001 Sheldon interweaves Madison s intellectual development with his political career the one the warp the one the weft of his mind His greatest contribution is to emphasize John Witherspoon s Scottish Presbyterian influence during Madison s undergraduate

war and Harold O J Brown on preventive war      *Vico's Political Thought* B. A. Haddock,1986      Enduring Liberalism  
Robert Booth Fowler,1999 Enduring Liberalism pursues two objectives One it explores the political thought of public  
intellectuals and the general public since the 1960s Two it assesses contemporary and classic interpretations of American  
political thought in light of the study s findings BOOK JACKET      *Perspectives on Revolution: Modern Political Theory and*  
*the Problem of Convention* Peter Henry Melvin,1967      *John Adams and the Spirit of Liberty* C. Bradley Thompson,1998 In  
reexamining John Adams s political thought Thompson reconstructs the contours and influences of Adams s mental universe  
the ideas he challenged the problems he considered central to constitution making and methods of his reasoning      The  
Contested Public Square Greg Forster,2010-02-28 Christian thinking about involvement in human government was not born  
or born again with the latest elections or with the founding of the Moral Majority in 1979 The history of Christian political  
thinking goes back to the first decades of the church s existence under persecution Building on biblical foundations that  
thinking has developed over time This book introduces the history of Christian political thought traced out in Western culture  
a culture experiencing the dissolution of a long fought for consensus around natural law theory Understanding our current  
crisis where there is little agreement and often opposing views about how to maintain both religious freedom and liberal  
democracy requires exploring how we got where we are Greg Forster tells that backstory with deft discernment and clear  
insight He offers this retrospective not only to inform but also to point the way beyond the current impasse in the contested  
public square Illuminated by sidebars on key moments in history major figures and questions for further consideration this  
book will significantly inform Christian scholars and students reading and interpretation of history
