Christians And The Fall Of Rome:

The Christians and the Fall of Rome Edward Gibbon, 2004 Gibbon's subversive and iconoclastic description of the rise of Christianity inspired outrage upon publication and remains one of the most eloquent and damning indictments of the delusory nature of faith The Excellent Empire Jaroslav Pelikan, 2014-04-21 This remarkable account by an award winning historian details the responses to the fall of Rome by the church fathers who set the pattern for interpreting this momentous event for all succeeding centuries To speak about the decline and fall of the Roman empire as the social triumph of the ancient church is to look at the events associated with that memorable revolution through the eyes of the victors writes the author The thoroughness of the victors has often been seen to it that there remains no other way for us to view those events Not only are we for this period as for so many others throughout most of human history denied access to the mind of the common people as they watched this history in the making such that we are forced to depend on the documents provided by various of the elites of the fourth and fifth centuries but among the documents of those elites only some have been permitted to survive Jerome Christian humanist and translator of the Bible into Latin represents an apocalyptic view of the crisis Eusebius court theologian and founder of church history saw the fall of Rome as the sign of a new order the Christian Empire And Augustine fountainhead of much of Western thought during the millennium that followed used it as the basis for his City of God The unifying theme in this historical panorama is the final revisionist view of the fall by its greatest historian Edward Gibbon All of these interpretations of the fall of Rome continue to live today and deeply influence our understanding of Western culture

The Fall of the Roman Household Kate Cooper, 2011-03-03 Edward Gibbon laid the fall of the Roman Empire at Christianity's door suggesting that pusillanimous youth preferred the penance of the monastic to the dangers of a military life whole legions were buried in these religious sanctuaries This surprising 2007 study suggests that far from seeing Christianity as the cause of the fall of the Roman Empire we should understand the Christianisation of the household as a central Roman survival strategy By establishing new ground rules for marriage and family life the Roman Christians of the last century of the Western empire found a way to re-invent the Roman family as a social institution to weather the political military and social upheaval of two centuries of invasion and civil war In doing so these men and women both clergy and lay found themselves changing both what it meant to be Roman and what it meant to be Christian **A Dictionary of Christian Antiquities** William Smith, Samuel Cheetham, 1880 **The Biblical World** William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1917 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 **The History of the Decline and Fall of the Roman Empire** Edward Gibbon, 1872 Christian Liberty and Other Sermons, 1916-1917 Hensley Henson, 1918 **Through the Eye of a Needle** Peter Brown, 2012-09-02 Through the Eye of a Needle is a sweeping intellectual and social history of the vexing problem of wealth in Christianity in the waning days of the Roman Empire **The Decline and Fall of the Roman Empire** Edward Gibbon, 1899 **The Fall of the Roman Household**
