*This Is My Story* Paul Beasley-Murray,2018-06-28 *This Is My Story* is an unusually fascinating account of one man s life It is a story of the making of a man initially written with grandchildren in mind Who was my grandfather What kind of person was he At another level it is a story of a growing faith telling how amidst the ups and down of life he has remained a soft hearted pilgrim At yet another level it is a story of the making of a leader who never stopped learning how to lead care preach and engage in effective mission Perhaps even more significantly it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor Finally as one who has at time been at the center of controversy it is an opportunity to tell my side of the story This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader

*Disciple Like Jesus* Phil Maynard,Eddie Pipkin,2020-05-15 For many congregations there is a lack of clarity about what a disciple is and what a disciple does Your congregation might find it helpful to have a larger conversation in worship or as a small group series around this theme *Disciple Like Jesus* could provide the framework for this conversation At the conclusion of each section you will find a set of discussion questions that could support this conversation Small Group Study There are many small groups of different varieties meeting at thousands of churches every week They are forming bonds supporting each other often studying and sometimes serving together And yet many people in many congregations sense there is something missing They just don t know what that might be *Disciple Like Jesus* could launch them on a new way of engaging life both within and outside of the Church Accountability Group Each of the dimensions of discipleship described in this book

includes specific suggestions for behaviors that help develop the life of ways of living like Jesus. Accountability is vital to this process. Whether through mentoring, apprenticing, coaching, small groups, or triads, partners can and should process this resource together. They should commit to specific behaviors and hold each other accountable for progress.

**Leadership Training** The greatest form of leadership in the Church is the leading of disciples toward maturity in becoming more like Jesus. There are skills presented in *Disciple Like Jesus* that can help develop more effective leadership toward this goal. In a strong sense, every disciple is called to be this kind of leader. But those publicly identified as leaders in whatever role have a biblically mandated special responsibility to be modeling this kind of discipleship development.

**Personal Study** *Disciple Like Jesus* provides many tools for exploration for individuals into the ways in which they can become more like Jesus and disciple like Jesus did. There are also many references for further study and personal growth. We do believe, however, that while this is a great resource for individual study, it is even better to study with a friend or two.

*Disciple-To-Disciple* Frederick Osborn, 2014-12-12. Being a Disciple is only part of what we have been called to; we have also been called to go and make disciples. This is the Great Commission: being salt and light to the world as we make disciples. The intended result of being salt and light to the world is to go and make disciples. Disciples making disciples is an integral part of the kingdom. As disciples teach, they are being taught by the Master.

*Disciple to Disciple* book and study guide is actually the third in an informal series of teachings on the Kingdom. The first in the series is *This Gospel of the Kingdom*. The book and study guide describe the foundational teachings of Jesus Christ concerning the kingdom of God. The second book and study guide in the series is called *Kingdom Discipleship*. *Kingdom Discipleship* defines the six terms of discipleship that Jesus said all who would be His disciple must meet in order to be His disciple. Only disciples make disciples, and in this part of the series on the Kingdom of God, we will set aside some time to learn how Jesus, the Master Teacher, taught His disciples.

*Disciple to Disciple* is an in-depth study guide on how Jesus taught His disciples. It can be used with or without the book to help us understand how Jesus taught His disciples so that we can be more effective in how we teach others to be like Christ. If we teach others to become faithful disciples of Jesus Christ, then we will do more than teach them to be mere imitations of their Master; we will teach them to be like Jesus in every way. When disciples make disciples, all will be transformed by the Master. And so the process of making disciples, who are like Jesus in character and conduct, will continue with each new generation of believers.

**Making Disciples in the Twenty-First Century Church** Joel Comiskey, 2013-12-02. We know that the goal of the Christian life is to glorify God and to enjoy him forever. While this is God's ultimate plan, does he have a particular purpose for the cell-based church? I've been wrestling with this question for the past twenty-two years. This question confronts me every time I coach a pastor or pastors. In preparation for coaching, I ask myself: What is my principal objective in helping this pastor? Where am I guiding this church? What am I trying to do? I've come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples. Christ's last command to his disciples was for them to repeat the process and to reproduce new

disciples But how were they supposed to do that This book answers these questions The early church followed Christ's pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy 2:1-2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same We in North America and the Western world often project our own cultural bias into Christ's great commission Matthew 28:18-20 Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God And yes there is an important individual aspect e.g. personal devotions etc Yet in Matthew 28 Jesus was talking to a group of disciples He wanted them to follow his example by making disciples in a group Jesus molded twelve disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re-emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God's Word All three aspects are essential to form disciples Training is needed because disciples won't learn all they need to know in the cell Coaching ensures that each leader is cared for and receives shepherding The celebration service brings the cells together to hear God's Word worship and receive fresh vision The goal of the two-wing cell church is to make disciples who make disciples The cell church today makes disciples by following the early church pattern of cell and celebration Recommendations I've read all of Joel Comiskey's books but Making Disciples in the Twenty First Century Church is his best work yet In this book Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen I'm looking forward to having all of our Pastors Coaches and Cell Leaders and Members read this book in the near future Dennis Watson Lead Pastor Celebration Church of New Orleans \_\_\_\_ I am so excited about Joel Comiskey's new book Making Disciples in the Twenty First Century Church When I'm asked what makes a cell church thrive I always say discipleship Thank you Joel for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth I pray this book won't only be read but lived out as we were made to make disciples Jimmy Seibert Senior Pastor Antioch Community Church President and Founder Antioch Ministries International \_\_\_\_ I really like that Joel asked the Why question before the How question He even takes on the What question which is just as important The interest in discipleship is greater now than anytime in the

church growth reveal some startling facts Overall church attendance in America is declining The number of those who claim they are done with churches is growing Those who list none as religious affiliation are increasing After COVID 19 some are reluctant to return to church services in buildings What if you had a way to make disciples for Jesus in your neighborhood Is there a way to reach those who have left the churches or who will not go back to a church building Yes Making Disciples Through Home Assemblies can show you how The book is based on the biblical patterns of the first century disciples who were highly effective in disciple making in obedience to Jesus command to make disciples and be His witnesses Matthew 28 18 20 and Acts 1 8 Studying Acts and other New Testament verses the authors show that those disciples believed that making disciples and growing the Kingdom of God was the number one priority The authors also show that individuals met in homes in the absence of church buildings and that any believer can become a disciple maker for Jesus Making Disciples Through Home Assemblies contains biblical rationale for home assemblies material that can be used for training yourself and others to lead a home assembly and the biblically based study guide for your home assembly meetings is included The material in this book has been extensively tested for over two years with audiences of diverse ages and many individuals have been successful in creating their own home assemblies and making disciples for Jesus across the United States Now you too can start a home assembly and teach others how to become disciples for Jesus *Follow Me* J Lee Grady, 2022-02-01 God has placed the next generation into our hands Who will raise them up if the church does not This book will teach you how to effectively mentor the next generation of Christians You will learn how to disciple others in their faith while getting outside of your comfort zone to increase your relationship with God If we want to change the world with the gospel we must stop focusing on crowds and events and reclaim Jesus method of relational discipleship Jesus final mandate to His followers was Go and make disciples yet today most of the church is oblivious to what discipleship is and few Christians are actually investing their lives in helping other believers grow spiritually A vast paradigm shift is needed in the church today in order to reach the next generation and advance the gospel in the twenty first century In *Follow Me* J Lee Grady uses many New Testament examples as well as his own experience in mentoring dozens of young leaders and a clear strategy for discipling others that can be used by individuals and churches Grady makes a compelling case that Christianity was never intended to be a spectator sport where huge crowds sit and listen to one preacher on a Sunday Jesus intended all believers to engage in ministry and this includes the work of discipling other believers So many Christians today live in a box of limitation We must understand that the Christian life is an adventure of the Holy Spirit working through them This book will help believers get out of that box and begin the exciting adventure of spiritual multiplication **4 Chair Discipling** Dann Spader, 2019-01-01 Dann Spader is a disciple maker who has spent his adult life exploring what it means to take someone from being a seeker to making disciples themselves Over 750 000 people in 80 countries have been trained to make disciples through organizations he has led Through studying the life of Christ and His disciple making methods Dann developed 4 Chair Discipling a simple

*Be a Disciple, Make a Disciple* Ellie M Littleton, 2019-04-22 The twenty first century Church has the same Holy Spirit power and many more modern day resources than the first century Church yet the first century Church had greater success in making disciples Why They followed the plan Jesus gave them and He blessed it But the more worldly progress we ve made the more we ve deviated from Jesus s plan by choosing programs entertainment and socials with only surface level encounters We neglect to make a connection with the lost and they see no real commitment from the church So they come and go as we continue to meet and plan more programs To end the cycle we must go and make disciples as Jesus taught investing our lives in the lives of others Do you long to live the Great Commission and make disciples but you re not sure how In *Be a Disciple Make a Disciple* Ellie Littleton offers biblical examples and concepts that break down the hard work of discipleship into sixteen thought provoking lessons So go and make disciples This is to my Father s glory that you bear much fruit showing yourselves to be my disciples John 15 8 niv As the Lord s earthly ministry got under way He began by making disciples and never stopped until He ascended into heaven Had the disciples not followed His example we would not be disciples of Jesus today As Ellie s pastor I ve seen her live out the principles she teaches in this book I highly recommend this book to all Christians so we can all follow Jesus s command to make disciples Rev David Warren South Shelby Baptist Church Shelby Alabama
