Apologetics for the Twenty-First Century Louis Markos, 2010-10-06 The vibrant and persuasive arguments of C S Lewis brought about a shift in the discipline of apologetics moving the conversation from the ivory tower to the public square The resulting strain of popular apologetics which weaves through Lewis into twentieth century writers like Francis Schaeffer and modern apologists like William Lane Craig Josh McDowell and Lee Strobel has equipped countless believers to defend their faith against its detractors Apologetics for the Twenty first Century uses Lewis s work as the starting point for an absorbing survey of the key apologists and major arguments that inform apologetics today Like apologists before him Markos writes to engage Christians of all denominations as well as seekers and skeptics His narrative man of letters style and short chapters make Apologetics for the Twenty first Century easily accessible for the general reader But an extensive and heavily annotated bibliography detailed timeline list of prominent apologists and glossary of common terms will satisfy the curiosity of the seasoned academic as the book prepares all readers to meet the particular challenges of defending the faith today

[Called To Defend](#) Valerie Thur (Locklair), 2018-03-13 Why do you believe what you believe Aren t you arrogant for thinking that you re right and everyone else is wrong Isn t Christianity just a bunch of mythology These questions won t wait until high school They won t wait until college and they definitely won t wait until you decide you re ready to answer them The world into which you were born is a world at war The Enemy won t wait until you re ready before he attacks but thankfully neither did your Savior The battle for your soul is complete and now the Spirit calls you to be a vessel through which He touches a

bleeding world Called to Defend provides middle school students with an interdisciplinary introduction to defending the faith Using subjects of mathematics computer science history and creative writing students will be taught to defend the faith courageously humbly and respectfully Is it possible to be unapologetically Lutheran and a staunch apologist even at a young age In Christ the answer is a resounding yes as the Holy Spirit calls sanctifies and enlightens us to believe confess and defend the faith to a world at war

Sacred Soil Robert Tindall, Frederique Apffel-Marglin, David Shearer, 2017-07-18 A fascinating description of how utilizing the biochar embedded in terra preta the recently rediscovered sacred soil of the pre Columbian peoples of the Amazon rainforest can cut our dependency on petrochemicals restore the health of our soils remove carbon from our overheating atmosphere and restore the planet to pre industrial levels of atmospheric carbon by 2050 The authors show that the rediscovery of terra preta is an opportunity to move beyond the West s tradition of plunder and genocide of the native civilizations of the Americas by offering an invitation to embrace the deeper mystery of the indigenous methods of inquiry and to participate in an animate cosmos that gave rise to such a powerful soil technology Sacred Soil in recognizing the need for biocultural regeneration takes a multi disciplinary approach to the phenomenon of biochar soils utilizing mythopoeic historical anthropological and scientific perspectives to embrace the deep past the vexed present and the prospectus for our future Coming at this crucial juncture in human history the potential resting in biochar is also an open doorway into the indigenous ways of knowing that enabled the pre Columbian Amazonian high civilizations to support a population of millions while leaving their lands more fertile than when they arose
